PLAN HUGE MAP OF THE COUNTY.

Supervisors Consider Scheme for Complete Plat.

Sections to be Engraved by Government Experts.

To Show Water Lines, Roads and All Improvements.

A proposition for the making of a topographical map of Los Angeles county to be engraved by the government at a cost of \$20,000, the total cost of the giant map to be \$90,000, is being considered by the Board of Supervisors.

The recommendation came to the Board of Supervisors from George W. Rockhold, who stated that the proposition has the backing of the Society of American Military Engineers, the American Society of Civil Engineers, the American Society of Landscape Architects and the Los Angeles City Planning Commission.

The County Surveyor recommended the formation of a committee to be composed of the work, the members to comprise Charles H. Toll, chairman; J. B. Lipscott, R. V. Orbin, George C. Anderson and Ralph Hanlin, engineers, and George R. Davis, honorary member. The latter is geographically member.

FUND GIVEN NEW BACKING.

More than \$7000 was added to the advertising fund of the All Year Club of Southern California yesterday with the receipt of pledges from a number of important interests. This is the largest single day's increase in the history of the All Year movement recorded in several weeks. The big jump was made possible through three subscriptions of \$3000 each from contributors who wished to keep their names withheld for the present.

The pledges from these three are made for 1922 and 1923. \$2000 being subscribed for each year. The contributions and pledges were made "in recognition of the remarkable support.

For the western division of the United States Geographical Survey to be engraved by the government at a cost of \$20,000, the total cost of the giant map to be \$90,000, is being considered by the Board of Supervisors.

The recommendation came to the Board of Supervisors from George W. Rockhold, who stated that the proposition has the backing of the Society of American Military Engineers, the American Society of Civil Engineers, the American Society of Landscape Architects and the Los Angeles City Planning Commission.

The County Surveyor recommended the formation of a committee to be composed of the work, the members to comprise Charles H. Toll, chairman; J. B. Lipscott, R. V. Orbin, George C. Anderson and Ralph Hanlin, engineers, and George R. Davis, honorary member.

The present county map is thirty years old and hence inadequate and may be obsolete.

effective advertising campaign carried on by the All-Year Club last summer, and in recognition of the fact that the club sounded a new and valuable note in travel advertising and especially in the advertising of Southern California."

These contributions were received yesterday included those of the Los Angeles Record, the Marwick Apartments and Mrs. Ruth E. Fifer, for the Jamison Apartments. With the financial support of the All Year Club, it now has all of the city's great dailies giving to it financial assistance as well as moral support.

AUTHOR OF FAKE "AD" IS SENTENCED AGAIN.

GETS JAIL TERM AFTER HE APPEALS FIRST VERDICT; FIFTY WOMEN DUPED.

In spite of an appeal taken by W. A. Gillispie to a sentence of 180 days in the County Jail and the fact that he was granted a new trial on a technicality of law, he will have to serve that length of time. Judge Reeve yesterday sentenced the defendant to the same term given him in the Justice court.

Gillispie was accused and found guilty by a jury in Justice Hinsdale's court of having inserted an advertisement in an evening newspaper for a woman who was desiring employment in a motion picture to report at Floral Park station. When about fifty women arrived, it was shown, they saw him virtually nude and the defendant was sentenced and appealed. Judge Reeve granted him a new trial on the ground that the verdict was not properly prepared.

At the trial, the defendant pleaded guilty and asked for probation. He was given permission to work on the county roads during his term.

TO TEACH SAFETY.

Series of Chamber Lectures to Factory Men on Tomorrow.

For the benefit of industrial employers and factory foremen the Chamber of Commerce department of safety and fire prevention will inaugurate a course of lectures beginning tomorrow at 8 p.m. in the Chamber of Commerce. They will be continued every Wednesday evening for six weeks.

The series has not been prepared for the public, but for industrial managers, under the direction of the Southern California Society of Safety Engineers and the Los Angeles Safety Council. Authorities with national reputations for their safety work will speak.

John D. McNeil, manager of the safety department, has outlined the course with the view to making industrial Los Angeles safe, in cooperation with the city-wide campaign for the prevention of accidents.

WIFE CHARGES DESERTION.

Samuel Hahn deserted Clara D. Hahn of Pasadena June 15 of last year, according to divorce proceedings started yesterday by Mrs. Hahn. The complaint, which was filed by Attorneys Hahn and Hahn, stated that the couple were married Nov. 25, 1911.

Are you stepping on the brake or the accelerator?

The food you eat does make a difference.

Heavy, starch foods often do slow down body and mind—often steal the energy that belongs to the day's work. Grape-Nuts is a go-ahead food. It contains the perfected nourishment of Nature's best grains. It includes all those elements needed to nourish body and brain. It is easy to digest. It gives energy without taking energy.

How about your breakfast or lunch—does it give or take?

Grape-Nuts is sweet, crisp, delightful to the taste, and is an ideal source of power for a busy and difficult day.

"There's a Reason" for GRAPE-NUTS

Tender Gums
—A Warning

Beware of gum tenderness that warns of Pyorrhœa. Four out of five people over forty have Pyorrhœa—many under forty, also. Loosening, teeth indicate Pyorrhœa. Bleeding gums, too.

Remember—these inflamed, bleeding gums act as so many doorways for disease germs to enter the system—inflicting the joints or tonsils—or causing other ailments.

Forhan's positively prevents Pyorrhœa, if used in time and used consistently. As it hardens the gums the teeth become firmer.

Brush your teeth with Forhan's. It cleans the teeth scientifically—keeps them white and clean.

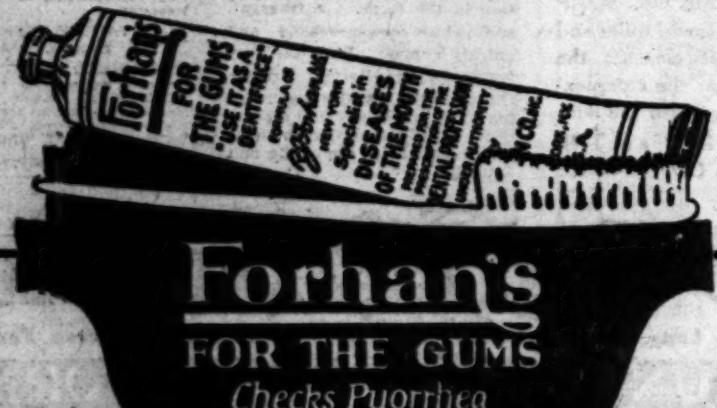

Brush Your Teeth With Forhan's—How to Use It

Use it twice daily, year in and year out. Wet your brush in cold water, place a half-inch of the refreshing, healing paste on it, then brush your teeth up and down. Use a rolling motion to clean the cavities. Brush the grinding and back surfaces of the teeth. Massage your gums with your Forhan-coated brush—gently at first until the gums harden, then more vigorously. If the gums are very tender, massage with the finger, instead of the brush. If gum shrinkage has already set in, use Forhan's according to directions, and consult a dentist immediately for special treatment.

35c and 60c. All druggists.

ARMISTICE DAY PLANS ARE TOLD.

Order of March and Positions in Parade Announced.

Committee Gives Out Events at Exposition Park.

Program Includes Athletics and Motor Races.

Allotments for the Armistice Day parade and the program of athletic events and motorcycle races which will be held in Exposition Park next Friday, were announced yesterday.

Col. Arthur Williams, grand marshal of the parade, checked over the forty and more acceptances of invitations to participate and announced formal marchers under the parade, which will start at 11 a.m. at Adams and Figueroa streets.

At the same time a special committee announced the following athletic programs of the American Legion, National Guard and other organizations of war veterans:

One hundred-yard dash, 220-yard dash, 440-yard dash, 4½-mile run, four-mile relay, two-mile relay, two-cylinder motorcycles, two-mile heats for four-cylinder motorcycles, two-mile heats for winners in two classes, fancy motorcycle riding by women, Japanese walking and boxing, hand-to-hand combat and three boxing bouts. The free dance in the armory at night concludes the day at Exposition Park.

ORDER OF MARCH.

Col. Williams' order allotting positions in the parade, follows:

"(1.) A line of marchers will be from the intersection of West Adams and Figueroa streets, south on Figueroa to Exposition Park, entering the east entrance to grand stand, leading west to central grand gate, then west to track east on track, reviewing stand, thence to east entrance of race track where units will be guided to places assigned.

"(2.) Units will be in positions assigned below and order of march at 10:30 a.m. Column moves at 11 o'clock.

"Division one: Police at the intersection of Twenty-eighth and Figueroa streets, on Figueroa, facing south; distinguished guests including city and county marshals and staff at intersection of Adams and Figueroa streets, followed by members band, Regular Army units, Navy and Marine Corps, Franklin High School band, National Guard and naval reserves.

"Division two: Head of column resting at intersection of Twenty-third and Figueroa streets, facing south on Figueroa; Southern Branch University of California band and drum corps, Los Angeles American War Veterans, Veterans of Foreign Wars; Sons of Veterans.

"Division three: Will form on Twenty-first street, head of column at intersection of Twenty-first and Figueroa streets, facing south; Lincoln High School band and cadet corps; Women's Overseas Club and Women's Auxiliary to the American Legion; American Legion, No. 1; Salvation Army band, Hollywood, No. 42; American Legion and band; Victory Post No. 54; American Legion; Sunshine Post No. 251; American Legion.

"Division four: Will form on Twenty-first street, head of column at intersection of Twenty-first and Figueroa streets, facing west; firemen's band, Grand Army of the Republic in automobile; Commanders veterans in automobile; Disabled Veterans of the World War in automobile; Elks' and Elks' band; Los Angeles High School band and cadet corps; Hollywood High School band and cadets; Manual Arts High School band and cadets; Jefferson High school band and cadets; Franklin High School cadets.

"MILITARY SCHOOLS.

"Division six: Will form on Twenty-third street, east of Adams and Figueroa streets, facing west; Harvard Military School and band; Los Angeles Military Academy; Urban Military Academy; Regular units and 44th Infantry and 8th Cavalry.

"(3.) March formation will be in column of squads. Unit commanders may vary, changing into column of platoons or companies until arriving at head of column at Adams and Figueroa, when column of squads will be resumed. Upon reaching race track organizations will pass reviewing stand in column of companies or equivalent formation.

"(4.) Leaders of bands of each division will meet and arrange alternate playing in order to maintain uniformity of music.

"(5.) Aides will report to the chief aide at the intersection of Adams and Figueroa streets at 10 a.m.

"(6.) Marshal's staff will report at same point at 10:30 a.m.

"(7.) No organization will fall out or be dismissed until after short ceremony at Exposition Park.

"(8.) Units taking position at assigned place will immediately notify the aide stationed at the head of the column.

"(9.) Community Service Band will report to Col. Hutchins at grand stand, Exposition Park, at 10:30 a.m."

ARMISTICE MEMORIAL.

Masonic Lodge of Ex-Veterans to Hold Dedication Exercises.

Invitations were sent out yesterday for the annual Armistice memorial exercises and dedication ceremonies of Clarence F. Smith Lodge, No. 482, F. & A. M. tomorrow night at the lodge room at Twenty-third street and Union avenue.

The lodge, which was chartered more than a year ago by ex-service men, will be the first in the State in which all the members are ex-service men.

It is named after Maj. Clarence F. Smith, a Mason, who was killed in action in France. The dedication exercises will be participated in by Past Grand Master Dana R. Weller, Inspector-General Perry W. Weidner, Past Grand Master William H. Hervey, Potentate Louis M. Cole, Past Grand Master, Past Commander Lewis Cruckshank of Golden West Commandery, President Robert A. Heffern of the Arab Patriotic Admirals' Captain, the Grand Lodge V. Yours worth, Walter Brinkop, past commander, Los Angeles, Post No. 8, American Legion and Jesse G. Foster, vice-commander, Sunshine Post No. 251, American Legion.

IN SUPPORT OF THE MOVEMENT FOR A SENSIBLE CHRISTMAS HAMBURGER'S HAS FORMED THIS CHRISTMAS TALKING MACHINE CLUB TO ENABLE YOU TO ADD TO YOUR CHRISTMAS AND ANOTHER-AROUND HAPPINESS, THAT GREATEST OF ALL FACTOR MUSIC—WITHOUT THE USUAL OUTLAY AND EXPENSE.

Joining the Xmas Club

Puts an Aeolian-Vocalion in Your Home
on Almost Unthought-of Easy
Weekly Terms

Club Privileges

The possession of an instrument of unrivaled quality.

A 1.00 membership fee entitles you to delivery of an instrument by Christmas Eve or a few days before.

The most lenient of payment terms—most lenient otherwise procurable; in fact, payments on low weekly, with expensive models necessitating higher weekly.

A guarantee of money refund any time within one year from date of delivery of instrument.

From date of delivery of instrument, carriage and repair cost being charged and deducted.

In case of illness or loss of employment, you may take regular weekly or monthly payments for as many weeks as you have already paid in full.

The Vocalion you may be exchanged within one year for another instrument then in our stock—of equal or greater value, one first payment—and full credit for payments will be given for the new selection.

The Plan of the Club Offer

Any responsible person may apply for membership.

Membership in the club is limited to 100 members—that is, 100 instruments only will be sold in this way.

The membership fee is only 1.00—a fee that is refunded if the instrument is not purchased by November 30th or the membership rejected.

The membership fee applies to the purchase price of the instrument.

Closing date of club membership is November 30th, 1921, or before if the 100 membership is filled.

Membership in the club does not obligate you—it assures you of unusual privileges and absolute delivery, providing you select your instrument before November 30th.

PIVOT GAME IN EAST SATURDAY.

Annapolis Meets Penn State at Philadelphia.

Both Teams Have Undefeated Records to Uphold.

Williams All Primed to Trim Nittany Lions.

OFFICIAL CORRESPONDENCE:
WEST POINT (Pa.) Nov. 8.—For the first time in history, Franklin & Marshall, Philadelphia, will be the home for the Nittany Lions of Penn State next Saturday when the stock up against Bob Fowles' team in a game that will decide the final rating of both teams in the football world. The University of Pennsylvania and Dartmouth at the Polo Grounds in New York, there will be no other game in Philadelphia next Sunday.

TICKETS GOING FAST.

Advance applications for tickets show that there will be several thousand Penn State alumni and students on hand for the torrid battle with the Midshipmen, while Annapolis is also planning to have a large delegation of spectators.

The Penn State military band and the Naval Academy musicians will also vie for honors during the afternoon. Next Saturday will be the last day of the season, and the fact that next Friday, Armistice Day, will be a half holiday will allow a great many more to attend.

The game with the University of Pennsylvania on Thanksgiving Day, the Navy contest is expected to be the liveliest of the season and the Penn State coaches realize that they have a hard task in trying to make up the team into a unit for such a hard battle. It is hoped that Stan McCollum, star left end, will be able to return to the team, while Capt. Williams will also be in much better shape after another week of practice.

EARLY TIME.

From the standpoint of schedules, the game by the most popular method, will be for that reason, the time should be in much better condition for the game than Penn State's game two weeks ago, though it may not be a single game, while the Nittany Lions on the other hand, have waded through four tough ones in succession, Harvard, Georgia, and Cornell.

"TC GAME" TICKETS ARE SELLING FAST.

SEAN FORD UNIVERSITY (Cal.)
SAN FRANCISCO, Nov. 8.—Forty-nine thousand seats in the new Stanford Stadium for the California-Stanford football game next Saturday, Nov. 15, have already been sold. Total of 18,000 seats remain unclaimed. University officials believe these in demand of within a few days.

All the 15 seats for the game have sold, it was stated.

ALHAMBRA LEGION TO PLAY SOUTH PASADENA

As a part of the Armistice Day celebration at South Pasadena, the Alhambra Legion football team will compete with South Pasadena Legion tomorrow afternoon. The men of renown will perform on the high school gridiron. The Legion team, consisting of eleven, University, the Bradford Guards, and Penn McKinney.

WISHER'S ALL-STARS PLAY THREE GAMES.

"Wis" Wisner's All-Stars and the Los Angeles White Sox will play at the Los Angeles White Sox Park on Friday, October 26th. The White Sox will meet the second-best with Blue of the Pacific, Don Rader at shortstop, and Fred McKeon at third. The White Sox will play one of the outstanding positions. Retiring from the Cleveland and Detroit, St. Louis, and the National League catcher and outfielders are expected to join Wisner's club.

DO MEN KNOW HOW TO WEAR COLLARS?

Land Habscher Says a Collar Should be Worn by Men Should be Worn.

A woman business man claims that one man in a hundred knows how to properly surround his neck with a collar. He claims that a pique collar is the only sensible, strong, and comfortable type to wear, and that every man should buy a pique collar to a half size larger than the shirt he wears.

The short-necked man should wear a collar that is too tight, and the long-necked individual should wear a collar that is too loose. The collar is too tight if wrinkles appear on the shirt. If it is too large it looks sloppy and without style.

McMillin, today's hero, also got wise to several things in that game. His generalship in 1920 was not as good as he never mixed his plays. When the team passes were working he used them all of the time instead of sneaking in a line plunge or end run to draw the secondary defense closer to the line of scrimmage.

Charley Moran, the National League umpire, who coaches Centre, learned his lesson last year at Harvard. He saw his players work hard and then when the backfield received more of the attention and the line was left to shift for itself. It took the South a long time to learn that a line counter was just as important as any other.

It took the South a long time to learn that a line counter was just as important as any other.

Charley Moran, the National League umpire, who coaches Centre, learned his lesson last year at Harvard. He saw his players work hard and then when the backfield received more of the attention and the line was left to shift for itself. It took the South a long time to learn that a line counter was just as important as any other.

Charley Moran, the National League umpire, who coaches Centre, learned his lesson last year at Harvard. FLASHES.

MAY INTEREST "D. W."

HARRY ATTEN WOULD FILM DAILY PROBLEMS.

By Grace Kingsley.

Again in our midst is no less a person than Harry E. Aitken, formerly one of the organizers and heads of the Triangle Film Corporation. And though he favors our climate, he is not in town for his health, but has an important enterprise in mind.

Believing the visualization is the most effective form of education, because pictures are seen by a larger percentage of people than read books, he is planning the making of picture which, not only shall entertain, but which shall inform the public regarding certain problems which touch their everyday humdrum lives, including transportation, health, safety, banking, co-operative questions, etc.

This seems like a rather large order, but Mr. Aitken feels that he has a scheme which may make such a series of pictures not only practicable, but popular, especially through the use of various well-known writers, directors and players, who appear that an effort being made to have no less person than D. W. Griffith to interest himself in the stupendous plan, and, in fact, an effort will be made to bring Mr. Griffith to the Coast in the interests of the enterprise.

Mr. Aitken is one of the best known figures in the film world. He formed the Mutual distributing system, as well as the organization of the Fine Arts, Thomas H. Ince and Mack Sennett interests.

He has done much pioneer work, therefore, along all lines of picture production.

Inasmuch as the public has been educated to a point where the exhibitors tell me that their trivioque and educational pictures are the most popular, and that highbrow and good comedy, it would appear that the time is ripe for such an enterprise by Mr. Aitken proposes.

Star Leaves Wagging.

Now the members of the United States had better look out! Babe Daniels, Realart star, during the making of her current picture, while the company was working at San Pedro, had a few days off, and learned the wireless and semaphore signal systems used by the United States Navy in its intercommunications between ships.

She hardly knew what to do with her knowledge, admitting it could, of course, be used for a sublimated sort of flirting, but this, she decided, she will never stoop to. She admits, however, that she has made such frivolous facts as the names of her picture and its nature to a breathlessly waiting petty officer on one of the ships.

From no less an authority than Charles Perry Clark, chief quartermaster of the United States Navy, stationed at San Pedro, comes the astonished written testimonial to the skill of Miss Daniels in learning the wireless and semaphore signal systems used by the United States Navy in its intercommunications between ships.

She hardly knew what to do with her knowledge, admitting it could, of course, be used for a sublimated sort of flirting, but this, she decided, she will never stoop to. She admits, however, that she has made such frivolous facts as the names of her picture and its nature to a breathlessly waiting petty officer on one of the ships.

From no less an authority than Charles Perry Clark, chief quartermaster of the United States Navy, stationed at San Pedro, comes the astonished written testimonial to the skill of Miss Daniels in learning the wireless and semaphore signal systems used by the United States Navy in its intercommunications between ships.

She admits, however, that she has made such frivolous facts as the names of her picture and its nature to a breathlessly waiting petty officer on one of the ships.

Franklin Cried Wolf.

Speaking of San Pedro and the making of Miss Daniels' picture, Chez Franklin, director of some coming-of-age tale to tell, showing that the well-known youth who labelled "Wolf, Wolf!" hadn't anything to do with it, came to the rescue.

It was earnest when he told the officers of the battleships lying in the San Pedro harbor that if they saw rockets being thrown into the sky they were to pay no attention to the noise, for they were being used merely as picture props.

Black night came on, last Thursday, and the company prepared to leave the steam yacht on which they were working to go ashore. Then, when the tug was discovered that the tug was disabled, the men sent up S.O.S. rockets in vain, and it wasn't until the tug had drawn alongside that the players were able to obtain aid, when a fishing smack towed them to shore.

Here and There.

Constance Binney has completed her latest Realart production, and is now on vacation. She will remain in Los Angeles until Armistice Day, when she will attend the Pacific Coast service games between the First and Second Divisions of the First and the Ninth Army Corps. The remainder of her time she will spend at Coronado, her favorite among the California resorts. Oh, yes, and the commanding United States naval officer to whom a little attention may be paid!

Harry Carey has completed his latest Universal picture, "Man to Man," a feature in which is a stamp of quality. It is a drama of long-brown cattle, the stars of the ranch near Calabasas.

Harry Pollard is informed by a Japanese fan that he is called in Tokyo "the god of laughter." The Japanese, however, have a sense of humor that the well-known youth who labelled "Wolf, Wolf!" hadn't anything to do with it, came to the rescue.

The jury will consist of Walter Henry Rothwell, conductor of the Philharmonic Orchestra, Mme. Ernestine Schumann-Heink, Richard Barthelmess, Thilo Becker and Adolf Tandler. It is announced that the manuscript awarded the prize shall, in its copy-right, belong to the Philharmonic Orchestra, and that the manuscript shall be returned to the composer.

The prize competition was inaugurated by Mr. Clark to stimulate musical endeavor of the higher type in this city. The contest will be open to all musicians in Los Angeles.

CAST IS A POTENT

NEW .. SCREEN .. ACQUAINTANCES.

In "Dangerous Lies" at Grauman's.

Warburton Gamble and Mary Glynne, who took part in English-made Lasky feature, which is showing here.

PLAN GREETING HERE FOR MISS TALMADGE.

STAR WILL ARRIVE MONDAY; BRUNTON STUDIO DEAD AIDS SCHENCK PLANS.

With special interest lent to their arrival through its connection with the deal involving the Brunt studios, Norma Talmadge, film star, and her husband, Joseph Schenck, will be the recipients of a notable greeting upon their arrival in this city next week. City officials, prominent picture people and others will join in the festivities marking the return of the star who has been absent from the Coast for several months.

Mr. Schenck is understood to be at the head of the syndicate which has purchased the Brunt studios, his plan being to use the facilities for the pictures made by Norma Talmadge, as well as Buster Keaton and Natalie Talmadge Keaton, the third Talmadge. It is understood that upon arrival in this city, Mr. Schenck will conduct Miss Talmadge to the present studio of Buster Keaton.

It is understood that upon occupying the Brunt studios, Mr. Schenck plans to use only a portion of the lot for the Talmadges and Mr. Keaton, and that space is to be leased to other companies, probably First National units.

The principal fault of the film is that the subtitles which represent the highbrow's conversation are exaggerated out of all semblance to nature. No one could talk like that and live. The rest is funny and at times dramatic.

MAKE RAILROAD STORY.

The Commonwealth Motion Picture producers are just completing "The 5:15," a railroad story. This is the first of a series of twelve five-reel Western dramas under the direction of Fred Caldwell, who will immediately begin casting for the second.

We send a 10-Day Tube of Pepsodent to every home that asks. It forms a delightful and convincing test. Let some one in your home apply it, then all of you watch the effects. You will always want your teeth to look like the teeth you see.

They Remove the Film— Those millions with glistening teeth

Like New Teeth

When dingy film-coats go

New beauty comes with glistening teeth, and every woman owes that to herself.

Film removal brings out all the natural tooth luster. Then Pepsodent contains a unique polishing agent, harmless but efficient. Teeth highly polished are less apt to gather film.

This is one conspicuous result which your mirror will reveal.

Other delightful effects will come from this new cleanliness. Both film and starch deposits are effectively combated. The mouth is left after every use in alkaline condition.

Important night effects

The bedtime use of Pepsodent is most important. Film, starch deposits and acids do much of their damage at night.

Countless people who brush their teeth leave these deposits on them or between them. Such teeth are most unclean.

Pepsodent goes wherever the film goes, and combats it. Then it floods the mouth with saliva rich in starch digestant and in alkalis. And those factors penetrate everywhere. The cleaner, fresher feeling in the mouth is largely due to that.

Smoke stains on teeth

Users of tobacco often have teeth deeply stained. But the stain is in the film-coats, not the teeth. Removal of the film removes the stains. Smokers will therefore see conspicuous effects.

The way to keep teeth free from such stains is to keep the film removed. Tobacco does not stain enamel. Smokers' teeth may be as white as any teeth if the stained film is twice a day combated.

Millions of people, half the world over, are now daily brushing teeth in this new way.

Wherever you look you see the results of it. You see teeth that glisten—teeth which once were dim. They are teeth you envy, maybe.

Now we offer you the method they employ. A ten-day test is free. Remove from your teeth the dingy coat of film. Then judge the method by the whiteness and the cleanliness it brings.

Why teeth discolor and decay

Your teeth are coated with a film. If it is new film it is viscous. You can feel it with your tongue.

It clings to the teeth, gets between the teeth and stays. The ordinary tooth paste does not effectively combat it, so the tooth brush has left much of it intact.

That film makes white teeth cloudy. It breeds and fosters enemies of teeth. Between the teeth and elsewhere it may do ceaseless damage. Most tooth troubles are now traced to film.

What film-coats do

Film absorbs stains, making the teeth look dingy. Film is the basis of tartar—the darker, harder coats.

Film holds food substance which ferments and forms acids. It holds the acids in contact with the teeth to cause decay.

Germs breed by millions in it. They, with tartar, are the chief cause of pyorrhea. Also of other seri-

ous troubles, local and internal. These troubles have been constantly increasing, despite the wide use of the tooth brush. Teeth lose their natural luster. Few people escape tooth decay. Pyorrhea is alarmingly common.

So dental science has in late years sought diligently for ways to fight that film.

Two effective methods

Two ways have now been found. Able authorities have proved them by many careful tests. The benefits are now beyond all question.

A new-day tooth paste has been developed, based on modern requisites. The name is Pepsodent. These, two film-combating methods are embodied in it.

It is now being used nearly all the world over, largely by dental advice. And millions of people now enjoy the results.

Five New Effects

Modern research has discovered other effects that are needed. And this new tooth paste has been made to meet all these requirements.

Starch deposits cling to teeth, get between the teeth and gum them. They often ferment and form acids.

Nature puts a substance in saliva to digest that starch. But, with modern diet, it is generally too weak.

Nature also puts alkalis in the saliva to neutralize mouth acids as they form. But they need stimulation.

Aids nature needs

Certain elements in food will multiply those tooth-protecting agents. But, in average diet, those elements are scanty. So modern authority advises that the tooth paste should produce the same effects.

So Pepsodent does this: It multiplies the salivary flow—Nature's great tooth-protecting agent. It multiplies the

starch digestant in saliva, to digest starch deposits that cling. It multiplies the alkalinity of saliva, to neutralize mouth acids, the cause of tooth decay.

All come twice daily

The regular use of Pepsodent brings all these effects twice daily. It combats the film. It leaves the teeth so highly polished that film less easily adheres. And it gives to Nature's tooth-protecting forces a multiplied volume and power.

These are new effects. No ordinary tooth paste brings them. In fact, all tooth pastes based on soap bring opposite effects. They depress the salivary flow and reduce its protective powers.

All who will may now depart from those ineffective methods. All may bring to their homes a new era in teeth cleaning. This is to urge that you see the change a new way brings—even a ten-day test.

Pepsodent
PAT. OFF.
REG. U. S.

The New-Day Dentifrice

A scientific tooth paste, made to comply with all the new dental requirements. Based on modern research, endorsed by modern authorities, and now advised by leading dentists everywhere. Each application brings five effects which modern research proves to be essential. It combats the film, the starch deposits and the acids in new and effective ways. All druggists supply the large tubes.

Look at Their Teeth

After a few days' use

Children need Pepsodent most. Their mouths are most subject to these film attacks. Few children reach the age of 15 without some tooth decay. Millions these early tooth troubles, when properly combated, bring life-long effects.

Dentists now advise that children use Pepsodent from the time the first tooth appears. There is no other method which so combats the enemies of teeth or renders like protection.

Watch the quick results

Pepsodent best argues for itself. Some children almost instant, all of them prompt. A week will convince you that this new method should supersede old.

Send the coupon for the 10-Day Tube. Next day clean the teeth feel after using. Mark the disappearance of the viscous film. See how teeth whiten as the film disappears.

All effects will be delightful. Some will be surprising, but the book we send explains the results.

Compare your teeth now with your teeth in a few days. Judge by the benefits you clearly see. Then decide if you always want those white, strong, healthy teeth.

Cut out the coupon so you won't forget.

and you will be well again.
The Ideal Meal is a
natural bowel action missing from
your diet. Eat the Ideal Meal
and you will be well again.
The Ideal Meal is a
natural bowel action missing from
your diet. Eat the Ideal Meal
and you will be well again.

Authority, your constipation is
caused by certain elements, or
natural bowel action missing from
your diet. Eat the Ideal Meal
and you will be well again.
The Ideal Meal is a
natural bowel action missing from
your diet. Eat the Ideal Meal
and you will be well again.
The Ideal Meal is a
natural bowel action missing from
your diet. Eat the Ideal Meal
and you will be well again.

ONCE—throw away
your diet. Then purchase just one
meal. The Ideal Meal is a
great diet. Eat it for a few
days, allowing it to replace
all you eat now. You will
find it to be surely a great
remedy for an ailment that has
been troubling the health
of millions of people. Cover the
meal, wholesome, nourishing—
and Ideal.

GOLD! SILVER! COPPER!**A Pre-Organization Opportunity**

Offered to a few people with foresight to join us in taking over and developing a mining property of unusual merit, where every infinite points to one of the greatest successes in the West. Many millions have been made by people in mining ventures with much less chance for success than this property offers.

An amount invested in a pre-organization interest with us, carries it many times over the value of the interest of a person buying a like amount in the stock of a company.

This offer is good for only a few days. If you wish to participate in it with us, call or write at once.

WOODWARD BROTHERS

261 W. Hellman Building

Los Angeles, California

HIGHER PRICES FOR SEASONED STOCKS INEVITABLE.

The increasing surplus of funds to various banking institutions will be used through the purchase of high-grade securities and the bond market is beginning to give evidence of higher prices as a result of this buying.

The bond prices mean lower bond yields, and investment funds will necessarily turn to the high-grade seasoned stocks in order to derive a return.

Offering to make necessary to attractive stocks and write for copy of booklet describing the "Money Investment Plan," which will suffice to accumulate good securities without risk.

MARKET SUGGESTIONS ON REQUEST.

YUMA PROJECT RULING UPHELD.

Water Users' Association Must Pay Land Assessments.

Decision of Judge Sawtelle Stands Against Appeal.

Far-Reaching Effect on Work of Reclamation.

Conforming the Arizona Federal court's decree against the Yuma County Water Users' Association and in favor of the Yuma project owners, the United States Circuit Court of Appeals at San Francisco yesterday decided that the plaintiffs in the case will be compelled to pay the \$75 per acre charges assessed against the project lands, according to the decision of Judge Sawtelle by Oliver P. Morton, who won the case of the government two years ago in the Federal court at Tucson.

In this case the Water Users' Association and certain contractors, members in an injunction suit against the Yuma project owners, sought to avoid the payment of more than half of the \$75 per acre charge, while the assessed against the Yuma lands by the Secretary of the Interior to cover the cost of the irrigation system; the money being payable in twenty annual installments without interest.

It was sought to avoid any payment until irrigation works should be built for the so-called North and South Gila valleys, which had been excluded from the project by the Secretary of the Interior on account of the infinitesimal of controlling and furnishing protection against the vagaries of the Colorado and Gila rivers at that place.

The Yuma project comprises about 21,000 acres, and the reduction made for aggregated more than \$2,000,000.

It was charged by the association that the preliminary estimates made by the government officers at the time of the commencement of the project should control, regardless of actual cost, and that a payment of any kind could be exacted from the land owners until the project was completed according to the preliminary plan, irrespective of the Secretary's decision that it was impossible to provide works for a portion of the lands.

The trial in the District Court at Tucson, two years ago, consumed about a week, and resulted in a decision by Judge Sawtelle adverse to the plaintiffs, supporting the rights of the government and its officers to collect a sum from the land owners which would be commensurate with the cost of the project. An appeal was taken, and it is this decision of Judge Sawtelle that is now confirmed by the Circuit Court of Appeals.

The case is of far-reaching importance as a precedent in relation to the administration of the reclamation fund.

MRS. OBENCHAIN LOSES IN COURT.

(Continued from Page 1.)

"trial!!" the District Attorney thundered. "He has had an ample opportunity to prepare this defense and has availed himself of every opportunity to leach the things that his attorneys now set forth have been learned so lately and so recently. I don't believe they have been any longer than a week. They don't know if they are entitled to any delay, and I think we should go to trial on this matter, and I respectfully submit it."

Attorney Schenck denied he had slept on his rights—or anything else. He exclaimed that his decision on Burch's insanity had come upon him like an avalanche on the night of October 15.

"And we haven't slept much since with the number of affidavits which it has been necessary for us to produce here in the interests of justice and to give a hearing to this remarkable court in behalf of our client," he added.

The District Attorney was also wrong, he said, when he pointed out that the defense claim of "Kittrell's" "malicious intent" became convinced of Burch's insanity early in August.

"I said it may be assumed from the affidavits in which as he was the defense and talked with him," Mr. Woolwine corrected.

Mr. Schenck replied that Dep. Dist. Atty. Fricke had stated Mr. Kittrell became convinced of Burch's insanity merely because he was the defense and talked with him."

Mr. Schenck denied that Dep. Dist. Atty. Fricke had stated Mr. Kittrell became convinced of Burch's insanity early in August.

"I said it may be assumed from the affidavits in which as he was the defense and talked with him," Mr. Woolwine corrected.

Mr. Schenck replied that Dep. Dist. Atty. Fricke had declared Mr. Kittrell became convinced of Burch's insanity early in August.

"I said it may be assumed from the affidavits in which as he was the defense and talked with him," Mr. Woolwine corrected.

Mr. Schenck denied that Dep. Dist. Atty. Fricke had stated Mr. Kittrell became convinced of Burch's insanity early in August.

"I said it may be assumed from the affidavits in which as he was the defense and talked with him," Mr. Woolwine corrected.

Mr. Schenck denied that Dep. Dist. Atty. Fricke had stated Mr. Kittrell became convinced of Burch's insanity early in August.

"I said it may be assumed from the affidavits in which as he was the defense and talked with him," Mr. Woolwine corrected.

Mr. Schenck denied that Dep. Dist. Atty. Fricke had stated Mr. Kittrell became convinced of Burch's insanity early in August.

"I said it may be assumed from the affidavits in which as he was the defense and talked with him," Mr. Woolwine corrected.

Mr. Schenck denied that Dep. Dist. Atty. Fricke had stated Mr. Kittrell became convinced of Burch's insanity early in August.

"I said it may be assumed from the affidavits in which as he was the defense and talked with him," Mr. Woolwine corrected.

Mr. Schenck denied that Dep. Dist. Atty. Fricke had stated Mr. Kittrell became convinced of Burch's insanity early in August.

"I said it may be assumed from the affidavits in which as he was the defense and talked with him," Mr. Woolwine corrected.

UNCLE SAM'S
OIL STRIKE
STAND TOLDOfficial Says Department of
Labor Will Not Act Unless
Both Sides Ask Services.Industrial peace and conciliation
and arbitration elements are the
pursuit of the Department of Labor
and the oil strike has been the
object. It is necessary that both
the oil companies agree to accept
the services of an mediator before
any strike can be taken. There is
no permission to strike if
no conference can be called to
discuss the oil strike.The reply yesterday of
E. L. Doheny, Federal oil
representative, regarding possible
action in the San Joaquin
district, was that he had
been in touch with the oil
men and had been able to
arrange a conference with
the oil companies.Doheny, called to tell
the oil men that he had
no time to take the oil
men to the oil companies
to discuss the oil strike.The oil men, he said, had
no time to discuss the oil
strike.The oil men, he said, had

**HANS OVERHEAD
LINE TO HARBOR.**

*E. G. Lewis Would Build Fast
System from City.*

A lot of things are back, but not
to normalcy.

His vamps are affecting the
bushard bowing tie. Police!

This is Armistice Week. Is
body at peace with his neighbor?

With wheat down to 55 cents a
bushel a farmer's lot just now is
a happy one.

The Sultan of Turkey used to
consider the sick man of
the world his indigent now?

We never hear anything
days about the great ask or
William Jennings Bryan. Are
they extinct?

Capt. Home says there is no
news in Hollywood. That is to
say there must have injured
eyeight.

We are looking for the man
said that a woman's body
in pants. He had a mighty poor
for the perspective.

Of course, the Smart revenue
stod no show in Congress. It is
too simple. The revenue experts
must be taken care of.

That latest secret
has been such a money
waste that the man of
the Ku Klux Klan.

It will soon be demanded
whether conversation alone will
be the Irish will. If so, the
Sina Fairers will have the better
of the situation.

Mary Garden asks, "Why do
our girls give up such skirts?
We have the prettiest feet and
legs in the world." Is Mary
going for herself?

Who reads all of the new books
especially in the line of fiction? Is
he crowding the market? Is
not a possibility that the game
is being overplayed?

George White, the author
of the National Democratic
Committee, says that he will
have an eye on Democratic politics
in the future.

Things are looking up in
the people who have been
and will starve during the
war. It will be a great place to
see.

Is there anything more
than to see a fellow plead guilty
to the commission of a crime
and the gigantic development
of the case?

They are proliferating in
the country. We mean the
clubs that are the desire of
the public, responding to the universal
desire for the product, taking advantage
of the rush.

When we see young women
going to work every morning in
street cars with silk stockings
and hats, etc., we wonder
much money they have left
on their bills.

It is our idea that conditions
would be much improved
if we had millions of schoolboys
the empire. Education is the
key to the only cure for the
society from which the people are
derived.

They are drying the apples
about now. Ever eat an
apple pie? We mean the real
apple pie and not the false ones
that the name?

The service of
artist are necessary to fabricate
the meat that is used in
the pie.

be a candidate for President in
the Democratic National Convention.
The chances are that long before
meets it will be necessary to
the track with a rope.

They are threatening to send
agents to jail in New York.
But if they give the boys the
chance to fight, they will be
immured behind prison walls.

It is probably true that the
prices received for California
fruits in the East are due to the
fact that they are made into
small parcels it would take
an army of prohibitionists to
the gradual change from the
cent grape juice to the
wine that makes the grape
juice.

Sam and Mabel Georgian
quarreled and separated. He went to
another apartment. Mrs. Georgian
concluded to get him to return to
her. She went to his apartment one
stormy night and while they were
having a heart-to-heart talk, the
other man entered and was
seen to be tapping at the door.

Mrs. Georgian became rather
alarmed, not being in her own home.
Her husband whispered, "Shut up, you little fool."

There came a feminine voice from
the other side of the door: "Oh, daddy, why is the door
locked?"

All was silent within the door.
A note was slipped under the door.

"Daddy, you are the sweetest
thing there is, but I am so
sick. See you in the morning. Pray
that I will get well."

This was signed "Baby."

Mr. Georgian told his wife the
reconciliation was off. Mrs. Georgian
sued for divorce and was
granted a decree by Judge Summer-
field yesterday.

IN NEW QUARTERS.

The government training center
conducted by the United States Veter-
ans Bureau in the Knights of Columbus
quarters on Hill street, moved yesterday to its permanent
home in the Wilcox Building, 19th and
Second streets. At the present time 197
disabled ex-service men are enrolled
in the school and is assisted by fourteen govern-
ment teachers.

The girl with the freckles
and paint, she's the one, you bet, baby.

At least that is what I can say.

**Dance Hall Row
Cause of Fines
Against Three.**

The cleverest girl I've ever seen
is in a man with a frosted face.
Her skin's gold, For her in the world, home
place.

A boy doesn't care for a man
fixed. With a dash sticker on, and
Or hair that is colored, and
times mixed. That he would not
snob.

The kind of a girl a real boy
wants, but she
is not the kind of
a girl that she
wants.

The faces dollied up with
glitter and paint, she's the one, you bet, baby.

Emasculated so stiff that they
are not belong to the one, she
and often they're found to be.

The kind, as a rule that
true blue.

At least that is what I can say.

**RESERVED, IS CHARGE
OF HELPMEEET; SUES.**

John K. Maylor deserted Nellie
M. Maylor a year and a
month, according to a
court complaint filed Monday
in the 19th Street Court. The
plaintiff, Mrs. Maylor, is
disabled, and she is represented
by Attorney Louis G. Guernsey.

The girl with the freckles
and paint, she's the one, you bet, baby.

At least that is what I can say.

BEAT HER, SHE CHARGES.

George E. Neinast beat his wife,
Clara E. Neinast, and called her
names, according to a divorce
complaint filed yesterday by
Neinast. The couple were married in
Bessemer, Mich., Sept. 14, 1902.
Mrs. Neinast is represented by At-
torney Louis G. Guernsey.

\$49.50

THE entire eighteen are out of the ordinary in the matter of style,
quality and value; and the sale represents an opportunity dif-
ficult to duplicate.

Developed in taffeta, gros de Londres and satin, the styles and colors are ultra-fash-
ionable, but so diverse as to make detailed description impossible.

See for yourselves what real values are concerned.

**With a settlement out of court
effected, the litigation which has
followed the sensational looting of the
Bank of Perris in 1919 was closed
yesterday in the Superior Court.**

**The settlement had to do with the sum for \$48,000, damages
brought by the bank against W. H. Stewart, its president, against A. L. Greenberg and F. H. Richmond.**

**The case was scheduled to go to trial yesterday before Judge Mc-
Cormick.**

**Attorney John L. Richardson, coun-
selor for the bank, announced that a
diametral suit would be filed today.**

**It is understood that the settlement
approximates \$35,000.**

**The case of the looting of the
bank has been in the local courts for a
number of months. J. B. Moffers opened negotiations with**

**Greenberg and Richmond, who are
holders of stock in the bank.**

Mr. Stewart agreed to sell his controlling stock for \$27,000, and the

CENTURY-OLD QUAKER DIES.

Mrs. Mary Ann Newlin Coffin Passes Away at Whittier.

Grandson Also Expires; Plan Double Funeral Tomorrow.

Was Mother of College Head and Active Abolitionist.

Mrs. Mary Ann Newlin Coffin, Whittier's centenarian Quaker, died at the home of her son, John E. Coffin, yesterday afternoon, after a short illness. A double funeral will be conducted at the Friends' Church, Whittier, at 3 p.m. tomorrow, for Mrs. Coffin and her grandson, Samuel T. Coffin, age 16 years. The lad was the son of Dr. and Mrs. William Coffin, Quakers of Whittier. He died at the home of his parents Monday after a lingering illness. Burial will be in Whittier Heights Cemetery.

Mrs. Coffin had been ill for some time before the death of her husband, Dr. Samuel Coffin, eighteen years ago. She was born in North Carolina and before the Civil War was an active member of the abolition of slavery. At one time she accompanied her father when he conveyed a number of slaves to Ohio, where they took the underground route to the border, and from there to Canada in due course and community betterment work, and up to the last was keenly interested in the affairs of today.

Last September 2 she celebrated her 100th birthday with a big dinner party at the Woman's club house in Whittier, 200 guests attending. She leaves two sons, John E. Coffin, vice-president of the California Foundation, president of the American and Dr. William V. Coffin, president of the board of trustees of Whittier College, and first president of the college.

T. E. Newlin, vice-president of the First and Merchants' Bank of Los Angeles, and Dr. Thomas Newlin, member of the faculty of Fullerton Junior College, formerly president of Whittier College, were also relatives.

HARBOR MAY FIGHT FOR INDEPENDENCE.

ATTACK UPON MERGER WITH LOS ANGELES BACKED BY BUSINESS MEN.

The proposed attack upon the validity of the consolidation of San Pedro and Los Angeles, which was begun as a joke some time ago, following the decision that upset the Sawtelle-Los Angeles merger, has taken on a more serious aspect at the Harbor, it was learned yesterday. Although the Harbor learned yesterday of the Los Angeles Harbor business men behind the movement are withheld, it became known that several of these men, including those which had a fund to be used for launching a suit attacking the consolidation.

Just what attorney will be employed to make the proposed attack has not been divulged. A. C. Whithead, attorney for the Harbor, has stated that such a suit on the part of harbor residents would have no chance for success.

Mrs. Mary Ann Newlin Coffin

AUTO DEADLY WEAPON?

Court Must Decide Point in Case Involving Halloween Crash.

Whether or not an automobile is a deadly weapon and whether Carey Wilcox, an official of the Pacific Electric, operated one in such a manner that he can be held responsible for injuries that a police motorcycle will have to decide. Wilcox was arraigned yesterday for assault with a deadly weapon, the weapon being his automobile, upon Alice W. and Henry G. Plyman. He was released on \$500 bail on his recognizance until his hearing on November 22.

According to information furnished the court, Wilcox was driving his car along Broadway on Halloween when a merrymaker threw a tin can at him. The can hit the front of the car and he threw in reverse, running the car backward into the two complaining witnesses. It is charged.

ARCHITECTS, ARTISTS PLAN CO-OPERATION.

Plans for more perfect co-operation between architects and artists were discussed at a meeting of the Southern California chapter of the American Institute of Architects last night at the Roma Cafeteria.

Architects as well as fine arts members of the California Art Club, Jack W. Smith, president, and Dana Bartlett, secretary of the club, spoke. Charles F. Lummis made a pleasing address, followed by short talks by Arthur B. Dodge and Clyde Forseythe of the art club.

TROUBLE ARE SWEEP AWAY.

Confusion about enforcement of the State boiler and elevator inspection laws was dispelled yesterday at a meeting in Mayor Clegg's office between representatives of the State Industrial Accident Commission and representatives of the Los Angeles Board of Mechanical Engineers. W. J. French, president of the accident commission, after the meeting said a plan of co-operation had been agreed upon and that the difficulties had been amicably adjusted.

Just what attorney will be employed to make the proposed attack has not been divulged.

A. C. Whithead, attorney for the Harbor, has stated that such a suit on the part of harbor residents would have no chance for success.

Does Your Housework Tire You?

If your housework tires you unduly, if you suffer from headaches, indigestion, biliousness or blues, it is time that your liver is out of order, your stomach is upset or your bowels are not working properly.

CHAMBERLAIN'S TABLETS

will provide the gentle stimulant that will set you to work properly at work again. They will quieten your sluggish liver, tone up your stomach and gently cleanse your bowels.

You always should keep a bottle of CHAMBERLAIN'S TABLETS in the house and ready for the first sign of headache or indigestion.

Warning! Unless you say "Bayer," you may not get genuine Aspirin prescribed by physicians for 21 years and proved safe by millions.

Accept only an unbroken "Bayer" package which contains proper directions not only for Colds, but for Headache, Pain, Toothache, Neuralgia, Rheumatism, Neuralgia, Lumbago.

Handy tin boxes of 12 tablets—Bottles of 24 and 100—All Druggists.

Aspirin is the trade mark of Bayer Manufacture of Medicaments of Solingen.

BOWEL POISON MAKES YOU SICK.

Your bowels may seem regular—move every day—but yet your thirty feet of bowels may be lined with poisonous waste which is being sucked into your blood, keeping you half sick, nervous, despondent and upset. Whether you have headaches, colds, sour stomach, indigestion or heart palpitation, it is usually from bowel poison!

Hurray! One or two Cascarets tonight will clean your bowels right. By morning all the constipation poison and sour bile will move out—thoroughly! Cascarets will not sicken you—they physic fully, but never gripe or inconvenience. — [Advertisement.]

WHAT STUDENTS ARE DOING The Days of Real Sport

(Copyright 1921, New York Tribune, Inc.)

Chemistry students at the Los Angeles High School were presented last week with twenty-four hours emanation from more than \$200,000 worth of radium for demonstration purposes, according to the Blue and Gold, student newspaper. The radium was donated to the chemistry department by Dr. Lee Duncan, who gave an address on radium and radio-activity one day ago. The radium is in a sealed glass tube and it is expected to last about one month before its energy is exhausted. It is said by teachers at the school that there is enough energy in the tube to cure more than 100 cancers.

Manual Arts High School is tutoring its ex-soldiers in disabled World War veterans in their vocational shops. The ex-soldiers are working under the supervision of trained shopmen and upon completion of their work will be enabled to take good positions in their line of study. Courses in automobile repairing, electrical engineering, carpentry and machine shop are the most popular given.

Pupils at Lincoln High School will have one of the largest high school publications in Southern California, according to the school's staff materials. According to members of the staff a seven-column paper will be issued soon in place of the present four-column edition and the paper will be produced entirely by students at the high school. The paper will be nineteen inches in length and will have an added reading space of ten columns. The price of subscription will remain the same for the remainder of the term.

Former editor of the Railsplitter

will receive recognition for their services, according to Ethel M. Andrews, principal of Lincoln High School.

A panel is to be placed in the main hall of the administration building which will show the names

of the past editors. Each term a new name will be added.

The historic "yell" which has

been used by rosters of the Polytechnic High School is to be no longer used, according to Poly's weekly school paper.

At a recent assembly the principal of the school gave the final decision. He said that the question of the yell was a matter of the past and the argument against it was inconsistent.

He also said that the school's great regret will be in the giving up of the yell because it really inspired the students.

He said, however, that it was for the school to graciously submit to the other high schools under the present antagonism.

Dramatic students at Jefferson

High School are now rehearsing their parts for the first play to be given this semester. The name of the production is "The Rivals," and

"Tight" Wad Almost Spends a Nickel to Look at Himself!

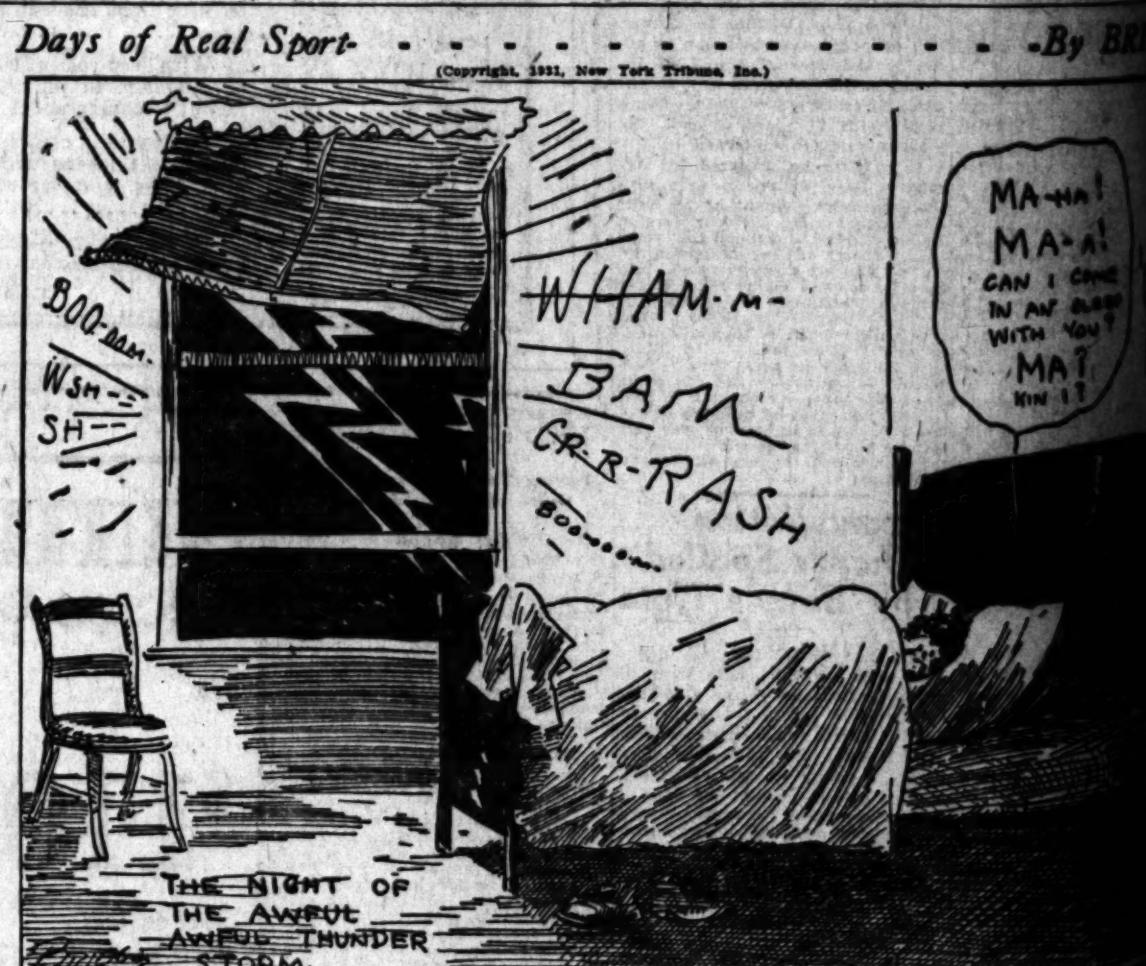

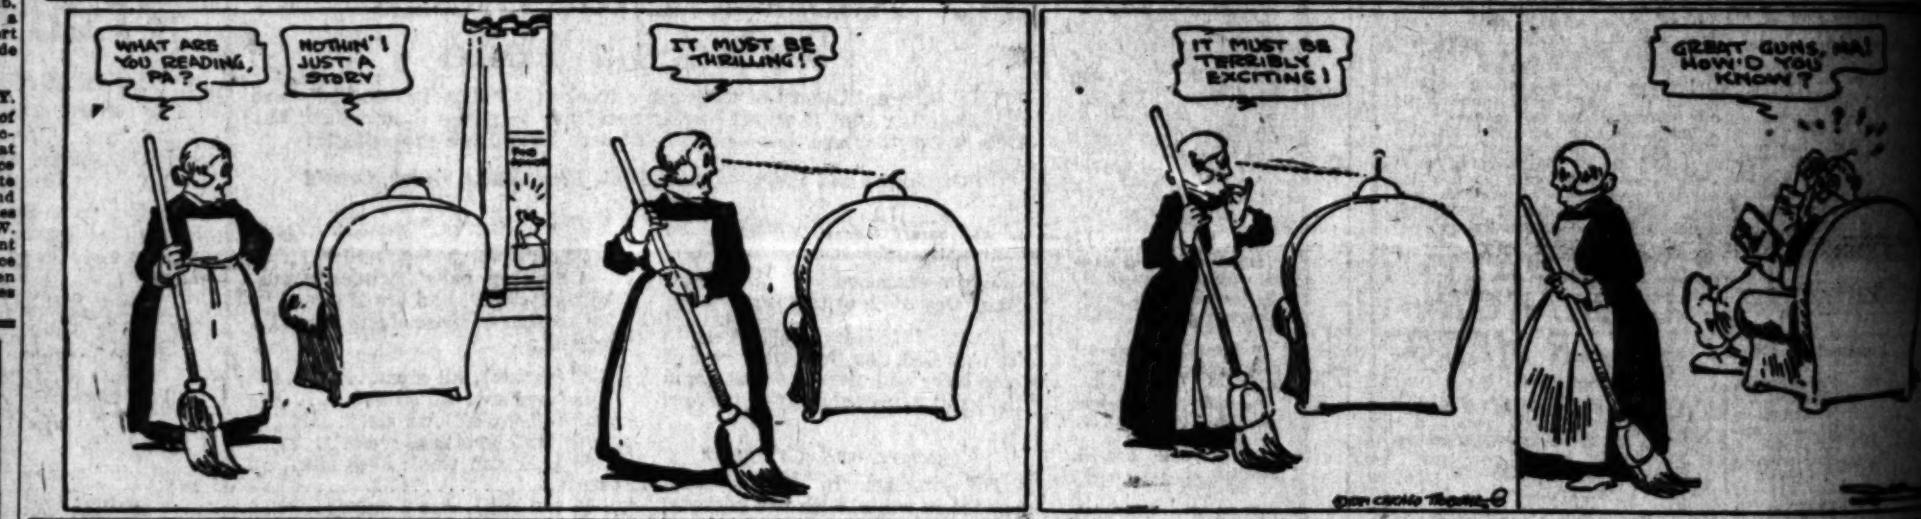

Can You Think of an Idea as Funny or Bunner Than This? If so, Send It in and Win a Cash Prize.

Starting every Friday and ending every Thursday, The Times conducts a Wad comic strip contest. The best idea gets \$10, the next \$8 and all others available \$2 each. Ideas must be original, however funny. Each picture must be described in words or a rough sketch. Title and dialogue must be supplied. All strips must deal with some member of the Wad family—Clover Wad, the sprightly nurse; Mrs. Spanda Wad, club and society woman; Mrs. Wad, sporty, speedy son; Elsie Wad, pretty and frivolous daughter; Gunna Wad, 12-year-old terror; and Cleo Wad, Jr., the boy. Send all communications to Mr. Wad, care The Times. Anyone may compete and submit as many ideas as desired.

THE NIGHT OF THE AWFUL AWFUL THUNDER STORM.

PINK PAJAMAS BRING WOE TO SUING WIFE.

HUSBAND'S SON ALSO USED CARPET FOR CUSPIDOR, WOMAN CHARGES.

After hearing Lottie E. Spencer tell her domestic woes, Judge Summerville yesterday took her divorce action under advisement.

A pair of pink pajamas was one cause of her woes. She said that when she was a girl she used to sleep in the pajamas home one night. They were crumpled, having evidently been carried in his pocket. He asked her to press them. She indignantly refused. He said they

were his sweetheart's, the wife testified.

Mr. Spencer likes to dance and went to dance hall twice a week, the plaintiff further said. When she asked him to take the washing to her customers, he went instead to a dance.

Judge Summerville wanted to know the relation of the wife to the husband. She said her husband had a 14-year-old boy by a former marriage.

"He would traipse through the house on his bicycle," she testified. "He did not wash his face; he did not shave; he did not brush his hair when he sat and used the carpet for a cuspidor."

"Boys will be boys," opined the court.

"Yes, but this boy was a bad one," was the reply. "I told my husband if he did not correct him, I would kick him out."

COULDN'T PLEASE HIM.

Wife Asserts Spouse Said She Kept House Like Pig Pen.

"You keep this house like a pig pen," Fred C. Bauer told Mamie A. Bauer, according to a divorce complaint filed yesterday by Mrs. Bauer. She further asserts that she could do nothing to please her husband.

The Bauers were married on Dec. 30, 1905, according to the complaint which was filed by Attorney George C. Hooper. They separated last October 11.

"No whitewash," the complaint asserted. "The husband is unbecoming to his wife and to the community."

"He would not be a good husband to me," Mrs. Bauer said. "He is unbecoming to his wife and to the community."

WHITEWASH BARRED IN OFFICER'S CABIN
"No whitewash," says Police Commissioner De la Monte, announcing that charges have been filed against the number of San Fernando residents against Patrolman J. V. Varey will be heard by the Board of Police Commissioners at 10 a.m. on Nov. 10. The hearing is expected to be a number of hours. Varey will be represented by his attorney and others, and will be unbecoming an officer who has had to set forth in his defense that they did not charge him with any commission.

DEMAND POLICE FOR HOLLYWOOD

Citizens Ask Commission to Increase Force.

Plan to Call on Council for Twenty-five Men.

One District Has Four-fifths One Officer's Time.

We guarantee that Kellogg's Bran will give permanent relief to every sufferer from constipation if taken in sufficient quantity. If it does not do this naturally it will not do it regularly. Pills and tonics can never do more than temporarily relief, and at the same time aggravate the disease. Kellogg's Bran sweeps and cleanses without discomfort. Its natural mechanical action is wonderful. Nine-tenths of all human ailments would be eliminated and there would be a new and better race of people if bran was universally eaten daily.

Kellogg's Bran can be used in many delightful foods such as bran bread, pancakes (the better you eat), macaroons, etc. See recipes on each package.

P.S.—Kellogg's Bran will clear up a pimply complexion and free the brows from obnoxious intestinal odors. —[Advertisement]

Your voice is so weak! Want a bit of it to get out of house and besides some grandmothers are liable to be and will just walk in and draw you out on stage—and I refuse to marry to an actress.

GREAT GUNS, MA! HOW'D YOU KNOW IT?

BOOZE BURGLARS MAKE RICH HAUL.

Fifty-four Cases of Bonded Whisky Stolen and Hauled Away.

Cutting through a rear screen window, burglars early yesterday morning carried away fifty-four cases of bonded whisky from the home of Victor Levy, at 1143 Lexington avenue. The liquor, according to the police who investigated, was removed in a truck.

Police Detective Hurt of the Hollywood Division reported that the liquor was stolen from the Levy home while the family was away. Nothing else in the house was touched.

The liquor, according to Mr. Levy, was purchased by him before the country went dry. He offered \$1,000 reward for the recovery of his property.

"We shall do everything we can for you," said Police Commissioner De la Monte, "but go to the City Council, too. We told the Council of our police needs and we showed them, by the City Auditor's report, that the members have, in sufficient money to give us \$500 to Homan, but the Council, for some reason or other, would not listen to us."

"We'll do that," said President G. L. Welch of the South Hollywood Improvement Association. "We can bring 2,000 residents of Hollywood to the City Hall and demand more police."

"We'll do that," said Commissioner De la Monte, "and we may get some real results from the Council."

WANT MORE POLICE.

The members of the Hollywood delegation asked that twenty-five of the 100 additional policemen authorized by the Council be ordered to control business in the district. The citizens also asked that a police flash signal system be installed on twelve corners in various parts of the district to aid in calling police to the scene of an emergency. The cost of the system is estimated between \$10,000 and \$14,000. The Police Commission took the application for the police signal system under advisement.

During the discussion, Mr. Welch emphasized the point that in the southern part of Hollywood, with a population of 15,000 persons, there is only one policeman for less than one policeman to protect it, as one-fifth of the policeman's time is devoted to an adjoining part of Hollywood. "You see," said Mr. Welch, "South Hollywood has four-fifths of policeman to protect it from hold-ups and burglars."

In the delegation appearing yesterday were: President Alan Shore and Secretary H. T. Wright of the Hollywood Board of Trade; W. McLellan and G. G. Greenwood of the Hollywood Business Men's Club; R. J. Harwood of the Vermont Improvement Association; E. L. Lapp of the Western Business Men's Club and Mr. Welch.

SPARKS HAS PLAN.

Councilman Sparks yesterday conferred with Police Chief Jones and Fire Chief Scott relative to a plan to link the twenty-five fire stations in the outlying parts of the city with the police department's signal system. The two chiefs approved of the plan, which calls for the placing of a patrolman at each fire station to receive calls and to equip each officer with an automobile to rush to the place where his services are required. To place a man on duty through-

out the city would be a

cost of \$10,000.

Mr. Welch said:

"Remembering Gen. Sherman's slogan about 'water and good so-

ciety,' let us not forget that the

Country needs a government

for a large portion of the northern

district, and that a stable govern-

ment will contribute to the good-

ness of the chief need, that of

Baja California, a dependent

government, and it is believed that

this will soon be an actuality. The

effect of what has been aptly called a

ten-year spate of plots and counter-

plots is now appearing.

Fortunately Baja California was

barely touched by the

warring factions; the country is

too sparsely inhabited to sustain

warfare.

"Our duty to Mexico is not only

that of a neighboring nation, but

that of a sister republic. Mexico's

prosperity is ours; we should dis-

tribute our efforts to the thought of

annexation. There should be no

hesitation in this regard, and

that not too long delayed.

The present President has shown his

ability in bringing a semblance of

order out of chaos. No country has

prospered since that Mexico or any

other republic would more quickly

respond to the helping hand of the

United States. The Los Angeles

Chamber of Commerce is sending

a large delegation to the City of

Mexico at the late President's

inauguration planted seeds for friend-

ship and satisfactory business

relations the value of which cannot

be overestimated."

INDIAN ACQUITTED

OF MURDER CHARGE.

FELIX TORRES FREED BY JURY

IN INDIAN POLICEMAN

SLAYING CASE.

The jury in U. S. District Judge

Trippet's court, considering the evi-

dence in the case against Felix

Torres, 77-year-old Indian on the

Cochise Reservation, and who is

charged with having killed John

Largo, an Indian policeman, on last

Friday afternoon, returned a verdict of acquittal yesterday afternoon. The

result was achieved by a single ball-

ot.

The fatal affray dates back to the

shooting of Supt. Will Hawkins

on the reservation in 1918. The de-

cased officer is said to have

prosecuted a large following among

the Indians on account of his friend-

ship for the government. He acted as

as the spokesman of the authorities

against the asserted rebellious spirit

said to have manifested itself on

several occasions since.

The killing of Largo occurred

when Dr. George Hawkins, the

physician, he called on Francisco

Lugo, to collect some money he

owed the government, and which had

been advanced for the pur-

chase of a horse which he had

left at the house. In a fight that

ensued, Largo is said to have been

killed by Torres.

Self-defense was set out in behalf

of Torres and several Indians, in-

cluding Lugo and his wife, testified.

MAKES CRUELTY CHARGE

Long Beach Pool Room Proprietor's

Wife is Seeking Divorce.

Mrs. Laura Jones, in a divorce

action initiated yesterday, charges

her husband with extreme cruelty.

Mrs. Jones, who says her husband

Jefferson D. Jones, is proprietor of

a pool room in Long Beach, recites

a number of asserted instances of

cruelty between the time of their

marriage in 1910 and January 1, 1914, and the time of their

separation on October 15 last. She

is represented by Attorney R. A.

Newell of Long Beach.

NOT HER FRIEND.

Mrs. Ellis Logan, 3215 Glassell

avenue, who reported to police re-

cently that her purse containing \$50

had been stolen when she was taken

on a shopping tour, denied yes-

terday that a woman friend had

been implicated. Police miscon-

strued her report, she said.

What Women Are Doing in Widening Fields of New Endeavor.

THANKSGIVING MENUS GIVEN.

Chef Says Our "Turkey-Day" Dinners Surprise Many.

Foods Called Luxuries Along Atlantic Cheap in West.

Recipes Given for Holiday Meal for Six Persons.

BY A. L. WYMAN, M.C.A.

PISTON (Pa.) Nov. 4.—Nearly all the cooks and housewives that we have met lately have asked us what we serve for Thanksgiving dinner in California and are much surprised when they are told that we have everything that they have and great many other foods that are considered luxuries here, but are very cheap in Southern California. One of our friends has asked that we give a menu for Thanksgiving dinner, one for the menu for the California housewife, and one that includes the products of the gardens and farms of our wonderful State. This menu and recipes will serve six.

Pasadena Fruit Cocktail.

Ripe, olive-green Hearts.

Salted Almonds and Walnuts.

Cream of Green Peas aux Croissants.

Roast Fresno Turkey with Raisin Dressing.

Corn Souffle Sweet Potatoes Creole.

Avocado Creole.

Frozen Fruit Roll.

Orange Sunshines. Coffee.

For the fruit cocktail mix one cup of diced grapefruit pulp with one cup of orange pulp, diced, one cup of diced canned peach pulp, one cup of diced mandarin orange and four table-spoons of finely chopped preserved ginger. This should be mixed five or six hours before dinner and set on the ice to become thoroughly chilled. Serve in tall stem glasses, on a small plate covered with a large autumn leaf.

To make the cream of green peas press two cups of cooked green peas through a sieve. Place in a double boiler with two cups of milk, one cup of cream and one cup of butter and blend with two table-spoons of flour, when thoroughly blended stir in three cups of milk and cook smooth. Add the two cups of green pea pulp and a cup of cream and cook smooth. Cook twenty minutes and just before serving add one cup of hot cream and one cup of small cubes of bread fried in butter.

SHOULD BE HEAVY.

The turkey should weigh ten or more pounds. Roast both light turkeys as they have very little flesh and a heavier turkey will have no more waste than a bird that only weighs six or seven pounds. Dress and clean the turkey, stuff with raisins and add two to four cups of bread crumbs, one teaspoon of salt, four table-spoons of melted butter, the finely-chopped heart, liver and gizzard of the turkey, and a half cup of seedless raisins that have been soaked for four hours in orange juice, half a teaspoon of finely-chopped onion, pinch of mace, half a level teaspoon of poultry seasoning and half a teaspoon of

COUNTY HEADS GIVE REPORTS.

District Federation Women Guests at Luncheon.

Yosemite Pageant Film Will Have Premiere Tuesday.

Civic Club Hears of Hunger at Home and Abroad.

BY MYRA NYE.

Mrs. W. O. Winter of Santa Maria, president of the Santa Barbara County Federation of Women's Clubs, and Mrs. Bret H. Brigham, president of the Ventura County Federation, were the out-of-town guests at the Los Angeles district luncheon yesterday, and each presented a report from the body she represented.

Tentative plans were made for a reception for Mrs. W. A. Fitzgerald, State president, who is now visiting in the Southland. The reception will be given next Tuesday evening immediately preceding the presentation of the film of the Yosemite Pageant "California, Land of Dreams," in Walker Theater Auditorium. Mrs. Fitzgerald will formally present the film to the district, and this will be the first showing in the State.

Mrs. J. B. Lorbeer of Santa Monica, chairman of conservation, made a report and at Mrs. John C. Urquhart's suggestion planned for the district to plant a tree in Exposition Park on Armistice Day as a memorial to the American soldiers who died in the World War.

Mrs. C. Iverson, chairman of education, made a plan and a protest. The plan was for the support of the Sterling-Power plan, which is a measure to create a Federal department of education.

Her protest was against any club

which should present only one club which should be the National Education Association.

Education was the main topic of

controversy in regard to the various clubs which have been organized in Los Angeles by the teachers. Miss Iverson said some of the clubs had presented during the last week

protests with only one side of the question.

Members of the board who reported from other points were Mrs. Clayton H. Taylor of Pasadena, Mrs. Harold C. Dewey of Pomona, Mrs. Charles J. French of Redondo Beach, Mrs. R. E. Chase of Glendale, Mrs. J. B. Doan of Burbank, Mrs. James Hill of Pasadena, Mrs. Charles H. Johnson of Long Beach and Mrs. G. I. Ritchie of Eagle Rock, all of whom reported for their departments.

Inyo county, which is a part of the Los Angeles district, will have a county federation convention from the 22nd to 24th inst. when Mrs. Urquhart will be the delegate from the district, and one of the guests of honor.

Republican Study Club.

Tomorrow instead of Friday will occur the regular semimonthly meeting of the Republican Study Club.

Luncheon for members and guests will be given at the Los Angeles Club at noon followed by a meeting in the auditorium at 2:30 p.m. when the program will be on National Legislation with Mrs. E. P. Werner as chairman.

Guests who will speak include: Jeanette Croxton on "Retention of Women in the Work Force," Earl S. Parker of Manual Arts High School will be the speaker for the afternoon, and parents and school will be urged to be present. The program is at the corner of Forty-second and Menlo avenue.

Hollywood Woman's Club.

Today the art department of the Hollywood Woman's Club, under the chairmanship of Mrs. Roscoe Shrader, will hold its first luncheon.

Charles G. Adams will direct a program designed in California.

Mr. Adams has just returned to Los Angeles from a year of travel.

Work on estates at Santa Barbara, and will visit in New York and

returning home. They are ex-

pected to return the 18th inst.

Mr. and Mrs. O'Malley.

Dr. and Mrs. Robert P. McReynolds are now in Washington visiting Dr. McReynolds' brother, Dr. McReynolds, who is making

their visit most delightful.

Next week they will go to New York.

They were in Philadelphia all last

weekend attending the meeting of the American College of Surgeons in which Dr. McReynolds took a

prominent part.

Mr. and Mrs. O'Malley.

Mr. and Mrs. Eugene O. McLaughlin entertained at a supper party Monday evening following the opening of the Harlequin Theater.

Earl S. Parker of Manual Arts

High School will be the speaker for

the afternoon, and parents and

school will be urged to be present.

The program is at the corner of Forty-second and Menlo avenue.

F.T.A.

The Menlo Parent-Teacher Association will meet tomorrow at 2:20 p.m. at the Menlo-street school.

There will be a musical program.

Earl S. Parker of Manual Arts

High School will be the speaker for

the afternoon, and parents and

school will be urged to be present.

The program is at the corner of Forty-second and Menlo avenue.

At Beggar's Opera.

Entertained at dinner first, a congenial little company noticed at the first night of the Beggar's Opera at the Mason Operahouse included

Mr. and Mrs. Donald Marion, Col. and Mrs. George J. Donahue, Mr. and Mrs. Burke Holiday and Mr. and Mrs. William Preston Harrison.

Others seen at the opera, most of

them amateur, were Mr. and Mrs. John D. Frederick, Mr. and Mrs. Loren D. Sale, Maj. and Mrs. Harold Ryan who had Mrs. Elizabeth Wood-Stack as a guest, and many others.

At Supper.

Mrs. N. Henry Johnson and her

daughters, Miss Harriet Williams

and Mrs. M. B. Bell, were hostess

at a delightful supper party

in honor of Mr. and Mrs. Porter

Henry Hovey and their house

guests, Mr. and Mrs. Wilson Overall

of Glendale, Calif. The table was

adorned with autumn flowers and

fruits. Pumpkin Jack-o'-lanterns

lighted the tables. Besides the

guests of honor there were

Mr. and Mrs. Edward J. Grotz,

Mr. and Mrs. William and Mrs. Ford

Kneisley, Mr. and Mrs. D. Shroeder

and Jesse H. Wortham.

At the Harmony Club.

The Harmony Club of Helen Jean

Church, Tent No. 17, Daughters of

Veterans, held a musical all-day

meeting tomorrow in the home

of Mrs. Luella Hempell at

Fullerton, and will have a box

luncheon and a party.

Mr. and Mrs. Gusi.

Cards have just been received

from Taormina, Messina, Sicily.

They found the place the most de-

lightful spot they have visited—

like a painting and very quaint.

The blue flowers and climate,

are like those of Southern California.

They expect to arrive home

about Christmas.

At the Elysian Heights Club.

Eager and Los Angeles both con-

cerning suffering and destitution, also

willing workers who devote time,

money and effort to the mitigation

of such misery as comes within

their reach.

This Elysian Heights Club

learned yesterday from the

lecture Miss Gladys Lister will sing

a group of songs, accompanied by

Miss Ruth Phillips on the piano.

Start Argument.

Urge Display of Flags
Armistice Day.

Architects for Pasadena High School.

Local Correspondence

PASADENA, Nov. 8.—Theatrical shows have been booked at Pasadena High School Auditorium through a local agent who has the hall for the purpose and the operation was made by a man, J. W. proprietor, of a motion picture house here, to raise money for the showing of motion pictures. The first which controls the rights here is the City Board of Health.

Mr. John Franklin West, the high school auditorium, was here for a meeting of the members of a committee which it is the opinion that it should be used for competition with existing theaters.

and that his friends would be invited if not more so.

and invited shows to more competition. He did not have the right to rent the musical comedy house.

have been no hard and fast about the renting of the high school auditorium but the committee is acting with Superior West, as a special committee, in the interest of the school and to lay down a definite line of action.

will not be acted upon this committee's report.

WILL SEE FLAG FLY.

Appealed for all citizens to fly flags and stripes from their windows in honor of Armistice Day, and for the entire day for a two-minute prayer for the two-minute prayer the World War made today by John McLean, president of the Board of Directors of the American Legion.

ARCHITECT NAMED.

Edmund B. Allison was named as architect of the new George Washington High School plant to be built in the Eastwood section of the present Washington High School grounds which will be considerably enlarged.

contains eight new three-story, underground school kitchens, library, study and an auditorium seating 1,500 will be built at the present school, 1 C. Brockway is

ROOM FOR NONE BUT LADY GOATS.

Local Correspondence

ONTARIO, Nov. 8.—"Billy" goats are to be banned from the city of Ontario.

This action was taken by the City Council following the receipt last night of a lengthy petition requesting the animals be made taboo within the municipal limits.

City Attorney Ben F. Warner remarked that the petition was discriminating as to sex and Mayor Willard D. Ball suggested passing the "buck," but after Dr. S. F. S. Edwards, city health officer, had explained that the "Billies" were rapidly getting the "goats" of persons living in their vicinity, citing cases where it was necessary for people to go out and feed their chickens before eating their breakfast or run the risk of losing it, the Council voted in favor of an ordinance which will place both male goats and hogs under the strict control of the City Board of Health.

REVOLVER ENDS LIFE OF FARMER

Local Correspondence

Worry Causes Young Ranch Owner to Send a Bullet Through His Brain.

Officers Follow Crew in Effort to Find Missing Sailor and Mess Fund.

Local Correspondence

VENTURA, Nov. 8.—Driven temporarily insane by worry over financial difficulties which existed mostly to his own mind, it is said, Wilbur Henry Stiles, aged 34, one of the best known young ranchers of the Camarillo section, ended his life some time between 8 o'clock Monday night and daylight yesterday morning by shooting himself with an automatic revolver through the right temple.

The body was found in a tool shed on the Stiles' ranch after an all-night search had been conducted by members of the family, by friends who had been summoned by Mrs. Stiles.

Mr. Stiles was a man who was subject to extremes in temperament, and being in exaltant spirits in a most ferocious mood, it is said, he was helped by the thought of the blacksmith shop for a time and the men who were working with him noticed that he appeared to be greatly depressed. Suddenly he went out upon the place and was seen to cut weeds and that was the last seen of him alive.

Previous to that, however, he had come to the house about 3 o'clock in the afternoon and asked the woman in the kitchen where his wife was. The woman informed him Mrs. Stiles had driven to Camarillo. "Oh, yes, to get the Bay's chick," he said. Mr. Stiles and apparently satisfied went out of the house and started on his job of tree cutting. He did not put in an appearance at supper. Search about the place failed to reveal his whereabouts.

Thinking that something had gone wrong Mrs. Stiles looked in the place where it was his custom to keep his revolver. It was an automatic and was gone.

She then notified friends in Ventura who were to the ranch and aided in the hunt. An automobile was driven up and down the lemon grove and the lights thrown all around but no trace of him was found. Every outfit he was wearing was accounted for but was not discovered.

J. Burrows, who had been operating a threshing machine on the Stiles property, began the search again at daylight and the body was found in the hotel house, with the automatic revolver lying by the side of the body.

SHOOTING FOLLOWS
SAILORS' QUARREL.

GOB IN NAVAL HOSPITAL SAYS
HE WAS INJURED
BY SHIPMATE.

BY F. P. DAY WIRE.

SAN DIEGO, Nov. 8.—Declaring that he had been shot through the abdomen and then thrown out of an automobile by a shipmate as the result of a quarrel over a woman, Edward B. McElfresh, a first-class steward on the U.S.A. Birmingham, stood up in a street here last night and told to the Navy hospital, where it was said that he may recover from his wound.

Four sailors in the automobile with McElfresh, at the time of the shooting, were in the boat, but in the night another sailor of the Birmingham, named Edward Vanderflecht, who admitted having been in the car with McElfresh, was originally placed in the ship, because his story of the affair did not satisfy the authorities. Vanderflecht declared that he thought he heard a gunshot and turned in time to see McElfresh jump out of the automobile.

McElfresh was unconscious when taken to the hospital but later was able to talk. He declared that he did not know the name of the sailor in the automobile with him, but that he did not know who did the shooting but that the trouble was caused by a quarrel over the woman.

Police officers and navy officials did not work in an effort to learn full details of the affair.

REDLANDS, Nov. 8.—The Greater Redlands Exposition closed last night and proved to be one of the finest exhibits ever staged in the merchants here. During the ten days there were more than 10,000 persons admitted to the display.

The feature yesterday was a baby show, in which the best baby of 1 to 6 months of age, Beryl Hope Guest, was second. Bertha May Rice was best of the 6 to 12 months babies; Norman Smith, 12 months; Dorothy Hollingsworth was best of the 18 months to 2 years old and Mildred Catherine Lay second. Ernest Leroy Danielson, Jr., was winner of the 2 years and under class and Bessie Cindell second.

Last night many gifts were made. Mrs. H. C. Casteel was given a diamond ring; Mrs. G. A. Kelley a vacuum cleaner; Miss Lydia Salish, a suit and Miss Dorothy McIntosh, shoes.

PECULIAR ACCIDENT.

Friction Causes Spark Which Ignites Gasoline.

Local Correspondence

VENTURA, Nov. 8.—Mrs. Lloyd Poplin of Ojai is at Bard Hospital here in a serious condition as the result of a peculiar accident which happened yesterday. Mrs. Poplin and her sister had filled a large kettle with gasoline and were washing two white Persian cats.

Merle Wright, who was scrubbing the skirts in the gasoline, remarked the strange shocks, something like electricity, that she kept feeling.

Wright ran over to the side of her sister and reached down for the kettle to lift out the clothing when the gasoline burst into a mass of flames. Mrs. Poplin was severely burned about the face, arms and neck. Specialists were rushed from Los Angeles to attend her, and following her removal to the hospital.

real reason for Clara's secret. He decided that the best thing he could do was to keep away from her for a day or two and give her a chance to recover her normally happy frame of mind.

Quite different with Clara. From the time she opened her eyes the next morning she worried about what John must be thinking of her unusual behavior. But for the life of him she could not muster courage to telephone and arrange to meet him downtown. Neither could she decide what it was that made her take such an unreasonable view of everything.

Merle being around the house, with evidence at every turn of the approaching nuptials, made her ready to scream. So, early in the forenoon she dressed and started down town, neither knowing nor caring what her destination might be.

Merle, Wright, who was scrubbing the skirts in the gasoline, remarked the strange shocks, something like electricity, that she kept feeling.

Wright ran over to the side of her sister and reached down for the kettle to lift out the clothing when the gasoline burst into a mass of flames. Mrs. Poplin was severely burned about the face, arms and neck. Specialists were rushed from Los Angeles to attend her, and following her removal to the hospital.

WORRY Causes Young Ranch Owner to Send a Bullet Through His Brain.

Local Correspondence

LOS ANGELES, Nov. 8.—Driven temporarily insane by worry over financial difficulties which existed mostly to his own mind, it is said, Wilbur Henry Stiles, aged 34, one of the best known young ranchers of the Camarillo section, ended his life some time between 8 o'clock Monday night and daylight yesterday morning by shooting himself with an automatic revolver through the right temple.

The body was found in a tool shed on the Stiles' ranch after an all-night search had been conducted by members of the family, by friends who had been summoned by Mrs. Stiles.

Mr. Stiles was a man who was subject to extremes in temperament, and being in exaltant spirits in a most ferocious mood, it is said, he was helped by the thought of the blacksmith shop for a time and the men who were working with him noticed that he appeared to be greatly depressed. Suddenly he went out upon the place and was seen to cut weeds and that was the last seen of him alive.

Previous to that, however, he had come to the house about 3 o'clock in the afternoon and asked the woman in the kitchen where his wife was. The woman informed him Mrs. Stiles had driven to Camarillo. "Oh, yes, to get the Bay's chick," he said. Mr. Stiles and apparently satisfied went out of the house and started on his job of tree cutting. He did not put in an appearance at supper. Search about the place failed to reveal his whereabouts.

AUTOMOBILE IS STRUCK WHEN
MACHINE IS DRIVEN ON
F. E. TRUCK.

Local Correspondence

EDWARD H. Langford, well-known orange grower of Redlands, was instantly killed here today at Marigold Farm when the automobile in which he was riding was struck by a Pacific Electric car. Arlie Harlan of Yucaipa, a cousin, is in the hospital with his right leg broken below the knee and badly sprained and cut as well as internally injured. He may recover. Arlie Harlan is of Yucaipa, his brother is badly cut and bruised but will get well.

Arlie Harlan was driving the automobile. He drove onto the electric tracks, which cut through the big farm, intending to turn around and avoid the tracks, but did not see the approaching car.

The motorman says he whistled and applied the emergency brake and after the impact the car stopped in less than 100 feet. Langford was thrown from the car, but did not get clear. His skull was crushed by the blow.

Four sailors in the automobile with McElfresh, at the time of the shooting, were in the boat, but in the night another sailor of the Birmingham, named Edward Vanderflecht, who admitted having been in the car with McElfresh, was originally placed in the ship, because his story of the affair did not satisfy the authorities. WOMEN READY FOR MEMORIAL.
Preparation for Armistice Day is virtually completed.

Praying in Hollywood Bowl to pray for Armistice Day.

Chorus to sing: Message to Go to President.

Other arrangements were made yesterday for the gathering of women in Hollywood Bowl on Armistice Day to observe a solemn memorial for those who died in the war and to vote a prayer for the termination of the Conference of Limitation of Armament.

The program is virtually completed.

The hundred club women, dressed in white, will be officials for the day, which is announced as the 100th anniversary of the women's organization of the United States.

Miss A. Stearns, who has

organized the demonstration, is chairman of the armament committee. Mrs. Frank will draft and present a resolution to send to President Harding.

FEATURES OF PROGRAM.

Two sets upon the hills of the words written by Corinne and music by Charles H. Cadden, each will be given.

Chorus and company will be the solo number.

Wreaths all nations of the earth that the war shall cease; all peoples of the earth that the world of peace.

The anthem will be sung by 1500 members of the women's choir and Miss Ernestine Holmes Hall, will sing the "Star Spangled Banner." It is arranged by the committee. There will be a "American the Beautiful" hymn of the Republic.

Young women jubilee singers will precede the regular program.

An organ recital will be at 2 p.m.

CHORAL SOCIETIES.

Choral societies taking part in the Armistice Day celebration will be the women's church choir, high school glee club. The music includes Mrs. J. J. Cadden, Mrs. E. H. Cadden, and the Mrs. Abby Norton Jamison, a soprano. Mrs. Gloria and Mrs. E. P. Warner.

It is not a society, a woman's club, but a group of all the community to gather.

It is located at the corner of Highland and Calabasas avenues, just beyond Hollywood in the 51st street station and ending in Highland avenues.

HAGEL ANDERSON.

Latest Entrants in Armistice Day Queen Contest.

PATENT INFRINGED, IS CHARGE IN SUIT.

High School Will Hold Special Armistice Day Exercises.

Hollywood School for Girls special Armistice Day exercises in the chapel hour at 10:30 tomorrow. Maf. Harmon D. will speak to the high school girls. His experiences over the war, Mrs. Bonita Kunkel, will sing "Let's Not Forget," and the entire school will participate in the flag raising, under the direction of Miss Jane Fennell, assistant of Hollywood American Legion, will address the "Patriotism in Peace." Miss Margaret Anderson, along with Charles V. Cadden, will sing "In Flanders Fields." Several war poems and a Red Cross nurse will read to the girls. Nancy June Warnack.

POSTOFFICE HOLIDAY.

Post Office on Armistice Day: Closed.

Postmaster O'Brien received a telegram yesterday from the Post Office Department at Washington, Friday, Armistice Day, should be observed by the local postoffice as a complete holiday.

He said that there will be no mail on that day, and the only sign of life about the post office will be the stamping of the mail.

On the part of the defendants there is a general denial that the school owned by the Warren Brothers Company, is being infringed.

PAVING TANGLE IS GIVEN AIRING.

Conaway Blocks Effort to Jam Through "Improvement."

Action on Lyon Street Laid Over by Councilmen.

Property Owners' Protests to be Heard Next Month.

The efforts of lobbyists to bring about the paving of Lyon street in the joint Plaza railroad terminal district over the protests of the majority property owners was given an airing yesterday by the City Council, and Councilman Conaway prevented the immediate passage of the ordinance of intention for the improvement. It was laid over for one week and December 14 was set as the date for the hearing of protests.

If the improvement proceeding had been brought as usual under the Wroooman Act, they would have been automatically killed by the majority owners' protest, which will be filed and of which the City Council has been notified. As the proceeding was brought under the Act of 1911 in an effort to jam the measure through, the votes of eight Councilmen will be required to deny the protest.

Lyon street is a stub-end street, 558 feet long, running north of Nancy street to the plant of the Wroooman Engineering Company.

Protests will be filed by the Industrial Development and Land Company, which owns the majority franchise on Lyon street.

Councilman Conaway spoke against the ordinance yesterday, saying:

"I believe that not one Councilman can afford to go before the people as voters for this measure on account of the principle involved. Is the majority property owners no right? If we put through Lyon street, the property owners will naturally ask, 'On what street will the Council next go through a needless improvement?'

THEFT SUSPECT UNDONE BY "AD."

Police Get Complaining Whineness by Inserting Notice in Paper.

When Police Detectives Lucas and Simpson found they were holding Mike Baker as a suspect with no complaining witness, they decided to use a newspaper, stating that a man was held for a robbery in Hollywood, which they said the defendant had admitted.

R. M. Greenleaf answered the advertisement, and as a result Baker was held to answer yesterday by Justice Baird on a charge of grand larceny. Ball was fined at \$2000 and the defendant was committed to the County Jail for robbery of \$2 from Mr. Greenleaf.

Says Husband Left Her Twice Without Funds

He left her in Tucson without money and came to Los Angeles. He left her without money and went to San Francisco. These are complaints made in a divorce complaint filed yesterday by Mrs. Blanche Troutman against Walter A. Troutman. Their wedded bliss lasted but a short part of this year, according to the complaint, for the couple were married on February 14 and separated last Thursday.

BONUSES FOR MANY.

Street Car Company Lists Men to Receive Christmas Checks.

Tabulations completed yesterday by the Los Angeles Railway shows that bonus checks will be awarded at Christmas to 1981 motormen, conductors and safety car operators out of a possible 2163, as rewards for efficient service to the company. Special checks for awards will also be made to 213 trainmen in addition to the bonuses.

ORDERED WIFE HOME. IS CHARGE IN SUIT.

When Hazel Enzenauer visited her next-door neighbor, her husband, Charles Enzenauer, ordered her home, according to a divorce complaint filed yesterday by Mrs. Enzenauer. The couple were married on June 25, 1920, and separated the 2nd inst. Mrs. Enzenauer is represented by Attorney Guy Eddie and William F. Adams.

EMBEZZLEMENT CASE. WOMAN SURBENDERS.

Dorothy L. Cainay, wife of James Cainay, accused of embezzlement from a motion-picture concern, Monday surrendered herself to Deputy Constables Stensland and Adams. She is accused of having appropriated \$100 belonging to the Olympian Productions. She was arraigned before Justice Baird, who released her on her own recognizance until November 8, the date set for the hearing of herself and her husband.

NEGLECT IS CHARGED. His wife was found and did not take care of the children, according to a divorce complaint filed yesterday by Edward G. Gentry against Leon Gentry of Long Beach. Mr. Gentry charges, among other things, that his wife permitted the children to run around dirty and unkempt. He is represented by Attorney S. H. Underwood of Long Beach.

HOLLYWOOD SHOP # 6501 HOLLYWOOD BOULEVARD AT WILCOX

Leading off with a melodramatic photoplay and ending with an exceptionally good tight-wire act, the Bill at Pantages this week covers a lot of territory, and is a nicely balanced mixture of thrills and smiles.

"Pilgrims of the Night" is an international crook play that gives Lewis Stone, Ruby De Remer and William V. Mong unlimited opportunities, most of which they take advantage of.

Mong as the humpbacked French organ-grinder, Ambrose, is particularly productive of emotion. His death with the pet monkey that has been his companion for years clambering over his distorted shoulders and trying to awaken him by licking his face, ought to move a heart of reinforced concrete.

Then comes a canine acrobat under the charge of Paul Sydell. We put them in this order because the dog really is the star performer, and there is no reason why the master who trained him should be shut out of his credit.

Mary Belli has a voice like a ship's captain, and sings a variety of songs with an enthusiasm that rattles the chandeliers.

"The Bandit" is Mexican melodrama, pants-on-the-head variety with much waving of sticks and crying for revenge.

He could hear more of the bandit's unceasing long speeches, the things might get over better, but there is no such combination of words, cries and stamping that it's hard to tell just what the fuss is about.

Carlton and Belmont are funny at times. The "Revue La Petite" contains several good songs and a very pretty bit of toe dancing by two exceedingly graceful young women. Also Joss Williams, violinist ultramodern, who is fast and with the horn.

Walters and Walters are easily the best ventriloquists we have seen in a long time, and the setting of their act is enough out of the ordinary to be phenomenal.

The bill ends with the Powell-Frost comedy destruction on the tight-wire, and have with them a tumbler-contortionist who makes you wonder if they have taken to making people out of rubber.

CITY'S WORK ON STREETS IS HIT.

Charges Made Against Office of Engineer Griffin.

Five Hundred Owners Join in the Complaint.

Assert Highways in District in Rotten Condition.

Serious charges against the efficiency of the City's Engineering department were laid before the Public Works Committee of the City Council yesterday afternoon by Atty. Charles R. Morfoot, who presented a petition signed by all of the 500 property owners in the New Windsor Square district, complaining that the streets in that part of the city have been laid by the city forces "in a poor, unworkman-like and inefficient manner."

The streets were graded and rolled and nearly \$10,000 to cover the cost of the work at prices fixed by the city was paid in to the city treasury. After hearing Atty. Morfoot's statements, Chairman Wheeler of the committee said:

"I agree with you as to the condition of the streets in that section. They are the humblest streets in Los Angeles."

"We expect the city to live up to its contract," said Atty. Morfoot, "and give these property owners a square deal. More than \$2000 has been paid in to the city for the paving of the streets to make service connections to the residences and the word rotten expresses the manner in which the holes in the street have been re-faced."

A. H. Wadsworth, who was active in getting out the subdivision in which the streets in question are located, said that city workers loaded on the job.

The committee asked City Engineer Griffin for a report.

FIFTH DECORATION FOR OVERSEAS HERO.

MONTANA MAN HONORED BY WORLD WAR LEADERS IN LOS ANGELES.

Col. D. Gay Stivers, brother of Dr. Charles G. Stivers of this city, is at the Alexandria from Montana, where he has lived thirty-two years.

Col. Stivers was decorated at the Presidio with the Distinguished Service Medal. It is the fifth decoration which he has received for service in the World War. He is also a Spanish War veteran, having served in the Riffles. He is a member of the Veterans of Foreign Wars of the U.S. and had charge of the construction of Camp Merritt, New Jersey.

"What have been your impressions when you have received these decorations?" was asked of this man, who has been honored by Petain, Joffre, twice by Pershing, and last Friday by Maj.-Gen. William M. Wright.

"I have had five medals pinned upon me by military leaders of the age, the impressions could never become an old story, or the trepidation of the incident which caused my first medal to inspire me and Col. Stivers."

"When I have gazed into the eyes of these great men, felt the touch of their fingers against my breast, and have thrilled under the touch of their hands, or the breathing touch of their cheek-to-cheek salutations, I have in each instance forgotten the personal element. The response of men and women to me within me has been primarily pride for the men of the Third Division, and admiration for the nation who gave them birth."

"Or all the honors which Col. Stivers has received, he says that perhaps his greatest is the in the Victory Medal—the insignia of service, which has been given to all members of the United States Army who served in the United States War, irrespective of rank. The Victory Medal of Col. Stivers carries six bars, marked 'Alma-Champagne-Marne, Alame-Marne, St. Mihiel, Meuse-Ardonne and Defensive Sector.' This medal is topped with an olive star, placed there by Gen. Pershing."

Col. Stivers was chief quartermaster of the Third Division during his service overseas.

FOR STADIUM DRIVE.

Stanford General Committee Meeting Called to Discuss Campaign.

With the near approach of the annual football contest between Stanford University and the University of California, which will be staged this year in the new Stanford stadium, Marco H. Hellman, chairman of the Stanford stadium fund drive, has called a meeting of the general committee to be held this afternoon.

To get away from the tumult of the city, Mr. Hellman is to hold this meeting on board his house-boat at Wilmington.

All members of the general committee are invited to discuss as the matter of increasing the general endowment of Stanford University.

It will be thoroughly discussed.

Although the stadium drive has been to raise funds for the financing of the structure, which is virtually com-

pletely completed, all funds subscribed eventually will go into some form of col-

lective endowment being repaid by the gate receipts of the stadium, it is stated.

Stanford, although heavily en-

dedicated, has recently been forced to change a tune and much against the feelings of the trustees. It is to obviate this necessity that the general committee is meeting so that definite plans may be formulated whereby the general endowment of Stanford may be increased.

dedicated, has recently been forced to change a tune and much against the feelings of the trustees. It is to obviate this necessity that the general committee is meeting so that definite plans may be formulated whereby the general endowment of Stanford may be increased.

HELEN KELLER SOON.

Helen Keller, blind, deaf and formerly dumb, with Anne Sullivan and her companion and interpreter, will be the attraction at the Orpheum next week. Her audiences are to have the opportunity of asking her questions, this being also announced as one of her act. This remarkable woman, as her name "Paying Patient" concludes the bill.

"Come and see our show at the Philharmonic Auditorium," said Marco to Mr. Nellian the other day.

"Awfully sorry," was Mr. Nellian's reply, "but I'm working night and day on the 'Paying Patient'."

"Well, then," said Mr. Marco.

"I'll bring the show out to you and give you an idea what a hit we've got in 'Sun-Kist'."

To this word, Marco and his beauty chorus together with the principals, arrived at the Nellian studio in a fleet of automobiles. On

one of the big stages the players took their place. Mr. Nellian was taken away from the direction of a screen and planted in an empty chair, while the show went on.

WESTERN GOBS TO SAN DIEGO.

Naval Training Station at Yerba Buena to Close.

Great Lakes and Newport to be Cut Off as Well.

Equipment at Bay City Will be Moved to New Plant.

Abandonment of the three naval training stations which have cost the Federal government millions of dollars are provided for in general orders just issued by the Bureau of Navigation and received by the flagship New Mexico of the Pacific Fleet.

The stations at Yerba Buena Island, San Francisco Bay, where thousands of apprentices-seamen have been trained since the Navy in the last thirty years, the station on Coaster's Harbor Island, Narragansett Bay, on the East Coast, and the station at Great Lakes, near Chicago, are included in the abandonment order. The move is to be made next May. The new station now under construction at San Diego will have been completed.

The present plan of the Navy Department is to concentrate all training activities at one station on each coast. All the equipment, officers and men of the station at San Francisco will be moved to San Diego, and the stations at Great Lakes and Newport, R. I., are closed the men and equipment will be concentrated at the station at Hampton Roads, Va.

There are thirteen buildings under construction at the new station at San Diego and, when completed, the training plant will have cost about \$2,000,000. The new hall at the new station will be the largest ever constructed by the American Navy and will have a seating capacity of 2,000 men. It is also planned, it is said, to put into commission, probably next summer the new Marine Corps Airfield, the new \$1,000,000 naval hospital and the \$1,000,000 fleet storhouse. When all the buildings are completed and occupied there will be about 10,000 men in the colony, some 10,000 officers and men.

In a statement received in local naval circles from Rear-Admiral Washington, chief of the Bureau of Navigation, relative to the concentration of naval training activities at San Diego and Hampton Roads, the Admiral said:

"We are simply concentrating all recruits at Hampton Roads on the Atlantic and at the San Diego station on the Pacific. While the Navy has no fault to find with the naval training station at Newport the deflation of naval forces from war to peace-time size and the cutting down of appropriations from Congress have made the move necessary."

Joins Campaign to Help Sufferers.

Betty Compson, Holding Red Cross poster she posed for.

Screen Beauty Pledges Aid to Red Cross Drive

Mrs. Cecil B. De Mille, chairman of the motion-picture division of the fifth annual Red Cross roll call, has enlisted the services of a number of film stars to assist in the precinct work during the busy drive.

of the call which opens on Armistice Day and closes on Thanksgiving Day. Miss Betty Compson, Paramount star, is one of the many players to volunteer for active service. The "Red Cross Poster Girl of 1921-22," posed by Miss Compson, is one of the striking pictures to be used in connection with the publicity of the roll call.

The Los Angeles film colony, as in previous Red Cross roll calls, will be drawn on again this year to swell the contribution of money. Miss De Mille looks for a 100 per cent enrollment among the player folk.

TAKES PAINS TO AVOID ERROR.

Attorney Makes Sure Date of Client's Separation is Not Centuries Ago.

That there might be no mistake as to the date of their separation, Attorney Clyde Woodward, in a divorce complaint, died yesterday, put Oct. 14, 1920, A. D., as the date Mrs. Onesta M. Murray left Clarence P. Murray. According to the complaint the Murray's were married on Jan. 22, 1917.

SHIMMYS IN DANCE HALL? NO, SHE SAYS.

BUT PERMIT IS SUSPENDED FOR NOT CO-OPERATING WITH THE POLICE.

"Shimmying in my dance hall? No, sir!" exclaimed Alice Arlington, who was before the Board of Police Commissioners yesterday to show cause why the permit she holds for a dancing academy at 720 South Grand avenue should not be revoked. Patrolmen C. D. Hoy and J. W. Moore testified that they had been refused entrance to the dance hall to ascertain whether it was being permitted to have a "shimmy" and whether or not juveniles had been admitted. The patrolmen declared that when they called at the hall, on Sept. 20, they were told there that they had been stationed there by Police Commissioner Du Coo, in which assertion they were upheld by Miss Arlington. However, Miss Arlington, the main petitioner, who said they were attendants of the place, testified they merely had said they would report the matter to Commissioner Du Coo. Arlington explained that the conduct of her place had been hindered by frequent visits of the police. She also denied she had refused the policemen entrance to the hall, only having halted them to obtain their numbers so she could report the incident to Mr. Du Coo.

The commission, however, after an hour's deliberation, suspended her dance-hall permit for a week, beginning next Monday, for not co-operating with the police.

MUST FACE CHARGE.

Having failed in a fight to obtain his liberty through a writ of habeas corpus, which was dismissed by Judge Reeve yesterday, Jacob M. Gartman, wanted at Reading, Pa., on charge of embezzlement and grand larceny of funds, will be taken East for trial. The court held that a warrant of rendition for Gartman was granted by Gov. Stephens and remanded the defendant to the custody of George E. Kemp, the Pennsylvania State agent.

Mystery Death of Utah Man Investigated.

Police continue to investigate the mysterious death of Ira Sorenson of Salt Lake City, who was found dead in a rooming-house at 525 Maple avenue yesterday. Autopsy Surgeon Wagner, following a post mortem examination of the body at the undertaking establishment of Cunningham & O'Connor, announced that he had been unable to learn the cause of death. An examination of the vital organs for poison was ordered by the Coroner.

Mr. Sorenson, who came to this city several weeks ago from Salt Lake City, must have died some time Monday night. The body, when discovered yesterday morning, showed that life had been extinct for a number of hours. Several persons living in the house notified the police that they had heard strange sounds in the dead man's room during the night.

NO HAM AN' SIGHT, SO HE STEALS WATCH.

Although Earl Young admitted to Justice Hinshaw yesterday that he had taken two watch chains and a watch, valued at \$162, from M. Yamaguchi of 224 East First street, he said he would have preferred to have taken some ham and eggs. Young is said to have confessed to Detective Bergman. When he did so, he said he had been refused entrance to the dance hall to ascertain whether it was being permitted to have a "shimmy" and whether or not juveniles had been admitted.

The patrolmen declared that when they called at the hall, on Sept. 20, they were told there that they had been stationed there by Police Commissioner Du Coo, in which assertion they were upheld by Miss Arlington. However, Miss Arlington, the main petitioner, who said they were attendants of the place, testified they merely had said they would report the matter to Commissioner Du Coo. RUN DOWN MAN, FLEE, IS CHARGE.

Jail Sailor and Companion After Six Weeks' Hunt for Traffic Law Violation.

Charged with having run down a pedestrian while driving an automobile at Fourth and San Pedro streets on September 25 and having failed to stop and render aid, C. R. Martin, 19 years of age, a sailor on the U.S.S. California, and James Patte of Santa Barbara were arrested yesterday by Detectives Erven and Hickok of the Automobile Club of Southern California. Patte was taken into custody in Santa Barbara and Martin was arrested on the California.

According to the arresting officers, Martin, while driving Patte's automobile, knocked down and severely injured Christian Patte.

Following the accident, Patte, who was with the sailor, leaped from the automobile and fled and Martin the police say drove away leaving Patte unconscious in the street. Patte, who was with his companion took the license number of the automobile and brought about the arrest yesterday. Detectives Erven and Hickok declared that they had secured statements from the two men, in which they each blame the other, but both admit being in the automobile.

DESERTED. SHE CHARGES.

Cleo Bell Smith of Santa Ana was arraigned before Justice Hinshaw yesterday, charging desertion. The couple were married in Sacramento June 3, 1919, and separated Oct. 24, 1920.

TO BID FOR SHIPS HIT.

Los Angeles will make a strong bid for the allocation of combination freight and passenger vessels to this port at the hearing in Washington Monday before the Shipping Board and the United States Emergency Fleet Corporation.

Rate quotations for ships to operate from Los Angeles to Honolulu and perhaps the Philippines will be made by Capt. John D. Fredericks, vice-president of the Chamber of Commerce and Clarence M. Mation, manager of the foreign trade department of the chamber.

Capt. Fredericks and Mr. Mation are prepared to be in Washington on Sunday.

Local shipping interests have been advised that Chinese and Japanese will be present to show for the coastwise and oceanic shipping.

The State, which is the most carefully represented, will be present to weigh and consider the
